Brand Name: Klymit Model Number: 06DVBL01E		Model Name: Double V - Sleeping Pad Retail: \$129.95	
		Provides ample room for two people to sleep comfortably and the side-by-side V-Chamber construction significantly limits the movement of air between the two sides. The raised V-Chambers create ultra-comfortable loft pockets that support the body's pressure points giving all types of sleepers a generous bed of air. Features body-mapping technology; side rails; antimicrobial inner-lining; flush flat valves; and includes a patch kit and a convenient, pump-integrated stuff sack for easy, rapid inflation. 74" x 47" x 3". Lifetime warranty.	
Brand Name: Klymit Model Number: 06HVG01D		Model Name: Hammock V Retail: \$139.95	
		Sleeping comfortably in a hammock has its challenges-namely staying in place throughout the night. That's where the Hammock V™ shines. Strategically placed non-slip zones on the top and bottom of the pad keep everything-including you-firmly in place. And innovative side walls reduce draft for 180 degrees of form-fitted comfort. It fits all standard hammocks, single or double wide. The V-Chamber design limits air movement keeping you nice and warm. It packs small and weighs only 27.3 oz. 78" x 47" x 2.5" Includes patch kit. Lifetime warranty.
