**CORDLESS LITHIUM-ION
NAILER**

See page 8 for details!

10" COMPOUND MITER SAW

C10FCG

Available as part of a package, see page 9

The Hitachi C10FCG 10" Compound Miter Saw is lightweight for easier transport. The 15 Amp motor generates a no-load speed of up to 5,000 RPM for making crosscuts and miter cuts with ease. This saw offers a bevel range of 0-45 degrees to the left to provide clean and accurate bevel cuts. It is designed for woodworkers who demand precision, reliability and versatility on the job.

- 24.2lbs light weight to facilitate maneuverability and easier transport
- 15 Amp motor delivers high power for the toughest cutting jobs
- 0-52 degree miter angle range to the right & left for increased flexibility

INCLUDES: 24T TCT saw blade - Dust Bag - Vise Assembly - 5mm Hex Bar Wrench - Holder

10" COMPOUND MITER SAW W/ LASER MARKER

C10FCH2

This 10" Compound Miter Saw offers the ultimate in form and function. With its aggressive design, there is no doubt that this saw is designed for the professional. The C10FCH2 features a powerful 15 Amp motor, vibration reducing horizontal handle and Hitachi's laser marker system. *"Great saw, great price- that sums up the Hitachi"* - Popular Mechanics Magazine

- Hitachi's Laser Marker System for increased cutting accuracy
- 15 Amp motor delivers high power for the toughest cutting jobs
- 0-52 degree miter angle range to the right & left for increased flexibility

INCLUDES: 10" 24T TCT Saw Blade - Pivoting Flip Fence - Dust Bag - Vise Assembly - 10mm Box Wrench - 4mm Hex Bar Wrench - Material Support Extension

12" DUAL COMPOUND MITER SAW W/ LASER MARKER

C12FDH

The C12FDH 12" Dual Compound Miter Saw features Hitachi's laser marker system for cutting accuracy. The saw head bevels to the right or left- allowing the material to stay securely in place for ultimate cutting efficiency. It cuts various types of wood, crown molding, plywood, decorative panels, soft fiberboard, hardboard and aluminum sashes.

- Laser marker system accurately indicates where the blade will cut on the material
- Powerful 15 Amp motor with 1,950 Watts of output power
- Elastomer compound coats the horizontal handle, reducing vibration

INCLUDES: 12" 32T TCT Saw Blade - Dust Bag - Vise Assembly - Box Wrench - Hex Bar Wrench

7 1/4" 15 AMP CIRCULAR SAW**C7SB3**

Engineered for heavy-duty performance, this Circular Saw has a powerful 15 Amp motor for ripping OSB, 2x4's, plywood and other typical framing materials.

- Bevel capacity from 0-55 degrees
- 15 Amp motor provides an impressive 6000 RPM no load speed
- Lightweight, weighing **only** 9.5 pounds

INCLUDES: Carrying Bag - 24-Tooth Premium Framing/Ripping Blade
- 10mm Wrench

VARIABLE SPEED JIG SAW W/ BLOWER**CJ90VST**

The CJ90VST Variable Speed Jig Saw with blower is lightweight and built for comfort, yet delivers an impressive cut capacity in wood and metal. Applications include cutting shapes in various wood pieces, cutting metals like mild steel, aluminum and copper, cutting synthetic resin materials, cutting decorative sheets and thin construction materials as well as cutting stainless steel sheets.

- 4-Mode orbital action to increase cutting efficiency through various materials
- Tool-less blade changing system allows for quick and easy blade changes
- Powerful dust blower keeps debris away from the cutting path

INCLUDES: No. 41 Jig Saw Blade - Allen Wrench

16" REAR HANDLE CHAIN SAW 32.2CC**CS33EB16**

Featuring excellent power to weight, this commercial grade chain saw is ideal for pruning, hobby work and firewood cuts. Powered by Hitachi's Pure-Fire Low Emission two-stroke engine, it contains a chrome plated cylinder, forged steel connecting rod and heavy-duty gear driver oiler for ultimate durability. In addition, this chainsaw has two bar mounting studs to keep the Oregon chain at peak cutting efficiency, and is backed by Hitachi's industry leading seven-year consumer warranty for Outdoor Power Equipment.

- 32.2cc, 1.6 hp commercial grade engine provides excellent cutting performance
- PureFire low emission 2-stroke engine technology
- Five point anti-vibration system provides maximum comfort to get more done

INCLUDES: 16" Oregon Bar & Chain - Bar & Chain Protective Cover - Srench

4 1/2" 5.1 AMP ANGLE GRINDER

G12SS2

Available as part of a package, see back cover

The G12SS2 4-1/2" Angle Grinder is lightweight and compact offering performance and durability. It features a smaller grip diameter, which contributes to more control and less fatigue during continuous use. It is perfect for grinding metal and masonry, removing rust and paint, and sanding various surfaces.

- At just 4 lbs the high power-to-weight ratio allows for optimal control
- Class leading **overloading durability** for increased life and reliability
- Low-profile gear housing and a **compact body** perfect for tight areas

INCLUDES: Grinding Wheel - Wheel Guard - Side Handle - Wrench

3.5 AMP OSCILLATING MULTI TOOL KIT

CV350V

The new Hitachi CV350V tool kit is a lightweight Multi Tool that is equipped with a powerful 3.5 Amp motor for professional use. It is designed with the Hitachi Auto Variable Speed Mode function which helps to lower vibration and noise during no-load operation and to preserve the life of the motor. The CV350V is ideal for cutting, scraping, grinding or sanding just about anything with the appropriate accessory.

- **Soft start** for user safety
- **Universal design** accepts the majority of accessories that are available
- **Tool-less blade change** allows for quick and easy blade change

INCLUDES: (2) Wood Cutting Blades - (1) Sanding Pad - (9) 60-Grit Sand Paper - (9) 120-Grit Sand Paper - (9) 240-Grit Sand Paper - Accessory Storage Box - Carrying Bag

5" RANDOM ORBITAL FINISHING SANDER, VARIABLE SPEED

SV13YST

The SV13YST 5" random orbit finishing sander features a palm grip design that gives the user complete control. Its soft elastomer covered body provides a comfortable grip while also helping to reduce vibration.

- **Palm-style, soft comfort grip** reduces vibration and provides a comfortable grip
- **Dust sealed rocker switch** helps to extend tool life
- **9,000 to 13,000 RPM variable speed dial** for super smooth finishes

INCLUDES: Sanding Paper 5", A-P120 - Dust Bag

2 1/4 PEAK HP VARIABLE SPEED FIXED/PLUNGE BASE ROUTER KIT

KM12VC

The KM12VC 2-1/4 Peak HP Fixed/Plunge Base Router Kit is made for fine groove cutting, chamfering, window cutting, trimming, shaping and cutting patterns. Featuring Hitachi's ergonomic styling and designed for precision, this router kit would be a welcomed addition to any workshop.

- 11 Amp motor for precise, controlled cuts
- 2-stage motor release clamp for quick and accurate depth adjustments
- Electronic speed control maintains constant RPMs even as load varies

INCLUDES: 1/2" Collet Chuck - 1/4" Collet Chuck - Template Guide Adapter - Centering Gauge - 16mm Wrench - 23mm Wrench - 4mm Hex Bar Wrench - Sub Base Plate - Hex Socket HD Bolt M5x10 (10 pcs) - Case

12V PEAK LITHIUM-ION DRIVER DRILL & IMPACT DRIVER COMBO KIT

KC10DFL2

Covered by Hitachi's Lifetime Lithium Ion tool warranty, the KC10DFL2 is a 12V Peak Combo Kit that includes a driver drill (DS10DFL2) and an impact driver (WH10DFL2). Also included are two 12V Peak Lithium Ion batteries, a 5-position flashlight, quick charger, carrying case, 7-piece bit set and a Phillips #2 driver bit. This compact kit is ideal for installations, electrical work, HVAC and other trade applications as well as for woodworking and fine finish applications.

- Lithium Ion battery technology for lightweight, fade-free power
- Free-standing design allows unit to stand on its own when not in use
- Charger circuitry prevents overheating and power loss

18V LITHIUM-ION CORDLESS 4-PIECE COMBO KIT

KC18DG4L

Covered by Hitachi's Lifetime Lithium Ion tool warranty, the KC18DG4L is an 18V 4-Piece Combo Kit that includes a hammer drill (DV18DGL), an impact driver (WH18DGL), a reciprocating saw (CR18DGL) and an LED flashlight (UB18DEL). Included alongside the tools are two 18V Lithium Ion Compact 3.0Ah batteries (BSL1830C) for less weight in a more compact size than a traditional 3.0Ah Li-ion battery, while also providing fade-free power and protection from over-charge, over-discharge and over-load. Other items included are a battery charger, carrying bag and a Phillips #2 driver bit.

- Lithium Ion battery technology for lightweight fade-free power
- Ergonomic grip, center balanced design and lightweight reduces fatigue
- Covered by Hitachi's Lifetime Lithium Ion tool warranty and two-year Lithium Ion battery warranty

18V LITHIUM-ION CORDLESS 6-PIECE COMBO KIT

KC18DG6LPA

Covered by Hitachi's Lifetime Lithium Ion tool warranty, the KC18DG6LPA is an 18V 6-Piece Combo Kit that includes a hammer drill (DV18DGL), an impact driver (WH18DGL), a reciprocating saw (CR18DGL), a circular saw (C18DGL), a jig saw (CJ18DGL) and an LED flashlight (UB18DEL). Included alongside the tools are two 18V Lithium Ion Compact 3.0Ah batteries (BSL1830C) for less weight in a more compact size than a traditional 3.0Ah Li-ion battery, while also providing fade-free power and protection from over-charge, over-discharge and over-load. Other items included are a battery charger, carrying bag and a Phillips #2 driver bit.

- Lithium Ion battery technology for lightweight fade-free power
- Covered by Hitachi's Lifetime Lithium Ion tool warranty and two-year Lithium Ion battery warranty

18V LITHIUM-ION DRIVER DRILL & IMPACT DRIVER COMBO KIT

KC18DGL

Available as part of a package, see back cover

Covered by Hitachi's Lifetime Lithium Ion tool warranty, the KC18DGL is an 18V Combo Kit that includes a driver drill (DS18DGL) and an impact driver (WH18DGL). Included alongside the tools are two 18V Lithium Ion batteries that provide fade free power, less weight and 3X the total battery life of traditional NiCd batteries. Other items included are a quick charger, carrying bag and a double ended Phillips #2 driver bit.

- DS18DGL 18V Lithium Ion Driver Drill that boasts 400 in/lbs of torque
- WH18DGL 18V Lithium Ion Impact Driver that weighs only 3.1 lbs
- Covered by Hitachi's Lifetime Lithium Ion tool warranty and two-year Lithium Ion battery warranty

3.6V LITHIUM-ION CORDLESS SCREWDRIVER

DB3DL2

Covered by Hitachi's Lifetime Lithium Ion tool warranty, the DB3DL2 3.6V Cordless Screwdriver features improved circuit protection to keep its motor running longer in a newly designed tool body with improved LED light. It converts easily from straight to pistol grip making it the perfect tool for tough to reach spaces. It offers electricians, installers, woodworkers and other professionals a superior power to weight ratio for a variety of fastening applications.

- Dual position handle converts from straight to pistol grip for maximum flexibility
- Spindle lock for manual screw tightening
- Built-in LED light illuminates the work surface

INCLUDES: (2) 1.5Ah 3.6V Lithium-Ion Batteries - Quick Charger - Phillips Bit - Case

18V LITHIUM-ION COMPACT DRIVER DRILL W/FLASHLIGHT

DS18DSAL

Available as part of a package, see back cover

Rated “Best Buy” by a leading consumer publication and covered by Hitachi’s Lifetime Lithium Ion tool warranty, the DS18DSAL is the first in Hitachi’s Compact Professional series featuring an 18V Lithium Ion slide battery. It is impressively lightweight and compact at 7.7” in length and weighing only 3.3lbs. The DS18DSAL is the ideal driver drill for anyone seeking professional power in the most compact, lightweight and ergonomic tool body on the market.

- 460 in/lbs of torque to power through the toughest jobs with ease
- 22+1 clutch offers 22 drive settings and one drill mode
- LED job light illuminates the work surface and is ideal in dark work spaces

INCLUDES: (2) 18V 1.5Ah Lithium-Ion Slide Batteries - 18V Compact Pro Flashlight - Quick Charger - 2-Sided #2 Phillips Bit - Carrying Case

3 1/2” PALM NAILER

NH90AB

The NH90AB 3-1/2” Palm Nailer accepts a 2-1/2” - 3-1/2” bulk fastener, while offering superior maneuverability when working in confined areas. It is ideal for installing joist hangers and metal connectors. Its 360 degree swivel plug allows the hose to hang at any angle instead of straight out adding convenience when working in tight spaces. The over-molded rubber grip provides comfort, absorbs vibration and improves control.

- Lightweight at only 1.3 lbs
- 360 degree swivel fitting for maximum maneuverability and ease of use
- Front exhaust directs the air away from the user

INCLUDES: Safety Glasses

PHT15939 Compact Nailer Package includes 3 1/2” Palm Nailer & 50’ Air Hose

2” 18-GAUGE BRAD NAILER

NT50AE2S

PHT15945 Nailer Package includes 18-Gauge Brad Nailer & 50’ Air Hose

The NT50AE2(S) 2” 18-Gauge Brad Nailer features a non-slip elastomer grip trigger and ergonomically designed simple flip actuation switch. It is ideal for trim work, furniture building and other finish applications. The NT50AE2(S) accepts finish nails from 5/8” up to 2”.

- Depth of drive dial allows the user to easily adjust the drive depth
- Elastomer grip adds comfort and prevents slippage
- No-mar tip on the nose protects the work piece from unintended markings

INCLUDES: Safety Glasses - 1/4” NPT Male Plug - No Mar Tip - Carrying Case

18V LITHIUM-ION CORDLESS 18-GAUGE STRAIGHT BRAD NAILER

NT1850DE

The NT1850DE 18-Gauge Cordless Brad Nailer allows the user to move easily around the jobsite without hoses or compressors! Equipped with Brushless motor technology and powered by a Compact 3.0Ah Lithium Ion battery, it is capable of driving up to 1,650 nails per charge. It employs a unique air spring drive system (similar to Hitachi's pneumatic line) that uses compressed air to drive each nail resulting in zero ramp up time.

- **Brushless motor** for longer run time, less maintenance and increased durability
- **Tool-less depth of drive adjustment** for flush drives into various materials
- **Side-lock switch** is incorporated to prevent accidental firing

INCLUDES: (1) Compact 3.0Ah Lithium Ion Battery - Charger - Contractor Bag - Safety Glasses

PORTABLE 1 GALLON QUIET AIR COMPRESSOR

EC28M

The EC28M Portable 1 Gallon Quiet Air Compressor uses a quiet industrial oil-free pump that provides high durability with no maintenance requirement. It also features motor overload protection to stop the motor in a possible overload situation. Its stainless steel braided discharge hose resists corrosion while remaining flexible. The industrial quick coupler enables easy one handed operation for fast hose connection.

PHT15942 Compressor Package includes 1 Gallon Compressor & 50' Air Hose

- **Industrial Air Pressure Gauges** steel encased for high durability
- **Compact and lightweight** only 25 lbs. for easy transport
- **Rubber feet** absorb shock, reduce vibration, and minimize crawling

4 GALLON PORTABLE ELECTRIC TWIN STACK AIR COMPRESSOR

EC99S

The EC99S Twin Stack Compressor features an oil-lubricated cast iron pump and 15 Amp direct drive induction motor for longer life. The motor is protected by a thermal overload protection that stops the motor in a possible overheating situation. Weighing just 52.9 lbs, the EC99S has an ergonomic carrying handle to make it easier to transport to any jobsite. A universal quick coupler and steel encased industrial gauges are factory installed on the unit so it is ready to go out of the box.

PHT15948 Compressor Package includes 4 Gallon Compressor & 50' Air Hose

- **Cast iron, oil-lubricated pump** for cooler operation and greater longevity
- **Lightweight and portable** for easy jobsite transport
- **Motor thermal overload protection** stops the motor in a possible overheating situation

HEAVY DUTY FOLDING SAWHORSES W/ SAWBUCKS - SET OF 2

115445

- Leading capacity at 1,200 lbs per pair
- Includes (2) sawhorses and (4) sawbucks
- Sawbucks designed to hold 2x4 flat on it's side
- Built in shelf and cord hooks
- Indentions to support 2" thick lumber

HANDHELD BLOWER

RB24EAP

Covered by Hitachi's industry leading 7-year Consumer warranty, the RB24EAP hand held blower is one of the lightest (8.6 lbs) and most powerful (at 441 CFM) blowers in its class. Available to both homeowners and professionals, the RB24EAP features a purge primer for quick and simple starts, a low emission PureFire engine and a large two finger throttle for easier operation. The exceptional balance and light weight make it ideal for small clean up, while it has the power to handle larger yard work.

- 23.9 cc Commercial grade 2-stroke engine for outstanding power
- Class leading air volume at 441 CFM for excellent debris movement
- Large two-finger throttle lever for easier operation

HEAVY-DUTY MITER SAW STAND

UU240F

The UU240F heavy-duty miter saw stand features a durable steel construction and can accept up to a 12" sliding miter saw. The included auxiliary mounting brackets make it fully universal and eliminate the need of creating an additional mounting surface. The quick-release mounting brackets offer easy mounting and removal of the miter saw from the stand.

- Heavy-duty steel construction can support up to 400lbs
- Material support extensions (extend 8') for supporting longer material
- Weighs only 50lbs for stability and easy transport

PHT15951 Miter Saw Package
includes 10" Compound Miter Saw &
Heavy-Duty Stand

INCLUDES: Anchor Plates - Auxiliary Mounting Brackets

PACKAGES

PROFESSIONAL WORKSHOP PACKAGE

PHT15423

INCLUDES: Driver Drill - Impact Driver - (1) 18V Lithium-Ion Battery - Quick Charger - Carrying Bag - Double Ended Phillips Driver Bit - Waterloo 5-Drawer Tool Center - Crescent 148 Piece Professional Tool Set

GRINDER PACKAGE

PHT13549

INCLUDES: 4 1/2" 5.1 Amp Angle Grinder (G12SS2) - Safety Eyewear - Metal Cutting Disc - Sanding Disc

DRIVER DRILL PACKAGE

PHT15816

INCLUDES: 18V Lithium-Ion Driver Drill - 18V Compact Pro Flashlight - (2) 18V Lithium-Ion Batteries - Quick Charger - Double Sided #2 Phillips Bit - Carrying Case - 14 pc. Black Gold Drill Bit Set - 45 pc. T-Steel Drive Set

DRIVER COMBO PACKAGE

PHT15819

INCLUDES: 12V Lithium-Ion Micro Driver Drill - 12V Lithium-Ion Impact Driver - (2) 12V Peak Lithium-Ion Batteries - 14 pc. Black Gold Drill Bit Set - 45 pc. T-Steel Drive Set
