Premium garden tools and irrigation systems for everyday gardening

A.

## A. Spring Driven Auto Roll Up Hose Reel #8022

*This hose reel makes watering especially easy and convenient because the hose box does the cranking for you. The hose box is mounted to the wall and can be swiveled by 180°.*

- Made of high impact resins
- Full and even hose retraction ensured
- 50 feet of 1/2" hose included

B.

## B. Classic Hose Box 15 Set #2662-20

*Gardena has created unique, high quality hoses that don't tie themselves in knots or twist under high water pressure.*

- Comes with storable handle and folding crank
- Fully assembled with 49 feet of hose and 5 feet of connecting hose

C.

## C. Metal Quick Connector Starter Kit #39042M

*Gardena ensures a perfect and secure fit between the hose and the original Gardena system parts with this connector kit.*

- Quick connection for easy on/off
- Made of high-quality metal alloy
- Leak-proof and rust-resistant

D.

## D. Complete Car Wash Set #5580-U

*The Gardena car wash set is especially well suited for gentle and effective cleaning of vehicles and sensitive surfaces using a fully rotatable brush.*

- Includes soft bristle brush, water handle and shampoo tablets
- Fully rotatable brush in 30° steps

E.

## E. Pulse Sprinkler & Timer #69-8142

*Don't waste time on watering jobs when this mobile sprinkler with integrated timer can do it like a champ. This sprinkler is perfect for the lawn, garden or vegetable beds.*

- Covers up to approximately 800-4800 square feet
- Adjustable range control

**F. Frost Proof Adjustable 3-in-1 Spray Nozzle**  
**#32131FP**

*Every household and garden has different needs and this 3-in-1 spray nozzle is perfect for everything from watering the blooms to cleaning off paths and driveways.*

- Ergonomic front trigger
- Patented frost protection
- One-hand operation

**G. Frost Proof Wand with Improved Ergonomics**  
**#36334FP**

*Even if this wand was left out in the cold winter, when spring rolls around it will still work like a charm due to patented frost proof technology.*

- Soft shower and hard jet spray patterns
- 36" long
- Easy-turn water flow on the handle

**H. Mobile Garden Cart**  
**#232-20**

*The Gardena mobile garden cart has multiple uses and can conveniently help gather and remove garden debris, weeds, thatch or garbage.*

- Load weight of 154 pounds
- Storage space for 2 handles and 2 small devices
- Secures 2 bags side by side for garbage separation

**I. Small Caster**  
**#3255-20**

*Spreading materials such as sand, salt, grass seed, fertilizer and grit can now be evenly spread in smaller areas with the Gardena small caster.*

- Filling quantity approximately 3.5 pounds
- Large adjustment knob
- Bayonet lock for easy opening and closing

J.

## J. Robotic Lawn Mower #4077-U

*The innovative Gardena robotic mower is perfect for an easy life with more free time and the perfect lawn. The easy-to-place boundary wire shows the mower where to mow using incredibly simple and quick programming.*

- Mows up to 1600 square feet effectively
- Rotary knob adjusts cutting height from .8 to 2"
- Tackles inclines up to 25%
- Highly sensitive collision sensors

K.

L.

## K. Comfort Cylinder Lawn Mower #4022

*The cylinder technique on this hand-driven lawnmower offers an accurate and short cut that's gentle on the grass and gives a greener end-result.*

- Non-friction cutting technology
- 15.75" cutting width
- Easy-cutting height adjustment

## L. Comfort Bypass Lopper #8770

*This lopper delivers an effortless but precise cutting result. Made from quality materials and equipped with the most innovative features to ensure a safe and accurate gardening experience.*

- 20" total length
- For branches and twigs up to 1.45"
- Patented gear action increases force by 38%

M.

## M. Comfort Boxwood Trimmers #399-U

*This trimmer is particularly suited for precise and easy shaping of shrubs like boxwood. Optimal shock absorption is guaranteed by the integral Technogel® gel pads in the handle grips.*

- 7.09" blade length
- 15.75" total length

N.

## N. Bypass Vario Pruners #8857

*The right choice for cutting flowers, bushes and branches. This pruner features optimal operating ergonomics and comfort in a stylish design.*

- .9" Cutting Diameter
- 2 step hand opening
- Improved locking & ergonomics

O.

## O. Swiveling Comfort Grass Shears #8734-U

*Even inaccessible areas in the garden can be easily reached with these comfort grass shears. Through the 360° rotating cutting feature, both left and right handed people can work comfortably.*

- Blades swivel 360°
- Non-stick coated cutting blade

P.

## P. Hedge Trimmer Easy-Cut 50Li #8873-20

*For convenient, cable-free trimming, this trimmer has a powerful and long life lithium-ion battery that can be recharged any time.*

- 20" blade length
- Robust, powerful high performance motor

Q.

## Q. Comfort Cordless Set #8897-20

*Equipped with two different blades, these shears are ideally suited for cutting lawn edges, forming and trimming boxwood and pruning bushes and shrubs.*

- Quick and easy blade change
- 3.1" + 5" cutting width with 90 minute run time

R.

## R. Easy-Cut Li-18/23R High Performance Cordless Trimmer #9823

*Where lawnmowers can't reach this cordless trimmer gets the job done right for beautiful results.*

- Swivel head converts from trim to edge
- Run time: 35 minutes
- Large secondary handle for increased comfort and control

**All 3 Models  
are Collapsible**

**S.**

## **S. Collapsible 2.6 Gallon Bucket**

**#CW-0207 - LIME GREEN**

*This bucket isn't the kind you trip over in the garage. The Colapz Bucket is cleverly designed to twist down flat and stay that way with a sturdy elastic strap that doubles as a handy hanging loop.*

- 2.6 gallon capacity
- Frost Proof & UV Resistant

**T.**

## **T. Premium 2.4 Gallon Watering Can**

**#CW-0252 - LIME GREEN**

*Just pop off the rose and spout and click them into the base for maximum versatility and storage with this bright, beautiful and collapsible watering can.*

- 2.4 gallon capacity
- Frost Proof & UV Resistant

## **U. 2.3 Gallon Liquid Carrier & Dispenser**
