powerful. natural. intelligent.

McCULLOCH®

Steam is for everyone....

Steamfast™ believes that high quality steam products should be accessible to everyone - so they offer products that bring the power of steam cleaning to the home, without high prices. Steamfast™ products are simple to use and cater to those who expect performance without paying a premium.

Steam is for every room....

With a full line of quality steam products, Steamfast™ empowers you to apply the effective power of steam throughout the home. From kitchens to bathrooms - wherever you cook, work, wash, sleep and play - Steamfast™ offers a solution that makes sense.

Steam is for every task....

The broom closet is full of chemicals - most of which are chemical cleaners. Each cleaner has its own job to do. Steam, on the other hand, provides the same sense of security from knowing the home is clean and sanitary - without using that closet full of harsh chemicals.

- Powerful and Versatile -

- Steam clean hard and soft surfaces throughout the garage or workshop

- Handy Power Tool -

- Ideal for BBQ grills and patio furniture
- Details cars, trucks, SUV's, boats and motorcycles

Steamfast™ has been featured in these publications:
