Apex Tool Group, LLC based in Sparks, MD, is one of the largest worldwide producers of industrial hand and power tools, tool storage, drill chucks, chain and electronic soldering products. Apex Tool Group was formed in July 2010 through a joint venture combining Danaher Corporation and Cooper Industries hand and power tool brands. The company markets over 30 leading brands in the tool industry worldwide, including Allen®, Armstrong Tools®, Campbell® Chain, Crescent®, GearWrench®, H.K. Porter®, Lufkin®, Nicholson®, Plumb®, Weller® and Wiss®, among others and manufactures several industry leading private label brands for large retailers and industrial distributors.

With facilities in more than 30 countries and 7,600 employees worldwide, Apex Tool Group combines the manufacturing excellence and innovation of both Danaher Tool Group and Cooper Tools to provide an expanded selection of high performance hand and power tools.

Quality - Innovation - Value

The first priority is exceeding expectations for quality, delivery, value and innovation.

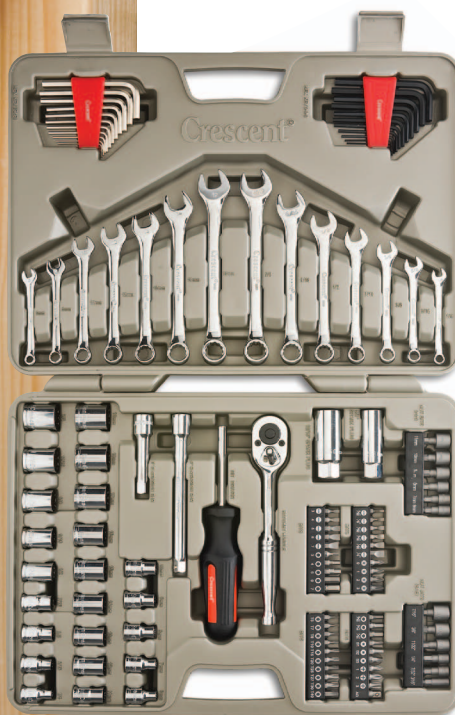

Creative ideas being implemented with speed provide Apex with innovation.

Ever since the first **Lufkin®** wood rule was produced in 1869, the Lufkin® brand has been synonymous with high quality and unmatched accuracy. Today, Lufkin® power tapes, engineering tapes and measuring wheels comprise one of the widest selections of measuring products available from any manufacturer.

The **Crescent®** brand, makers of quality adjustable wrenches, pliers and screwdrivers. Founded in 1907, the Crescent® brand is best known for its style of adjustable wrench.

Weller® has been the leading brand in professional-quality soldering equipment since 1945.

Wiss® products have been earning their reputation for craftsmanship and long life since 1848.

The **Xcelite®** brand of precision hand tools has been a favorite of service technicians for over 75 years.
