Brand Name: Vornado Model Number: AC1-0038-43	Model Name: AC350 Whole Room Air Purifier Retail: \$139.99
--	---

The AC350 uses two filters to provide three stage filtration. The carbon filter captures odor particles and also acts as a pre-filter, capturing larger particles. The true HEPA filtration removes up to 99.97% of airborne allergens down to 0.3 micron in size. Cleans air up to 220 feet and features 3 speeds; electronic, push button controls; filter replacement indicator; and a 5 Year Limited Warranty.

Brand Name: Vornado Model Number: AC1-0040-43	Model Name: Purio HEPA Air Cleaner Retail: \$159.99
--	--

Purio uses True HEPA filtration to remove 99.97% of the airborne contaminants and allergens from Baby's air. A permanent, washable prefilter extends the life of the True HEPA filter, and an Activated Carbon filter helps keep the nursery smelling fresh by absorbing odors. The controls are lockable and it has a locking filter cover. Turn on the recessed lighting for a soothing glow. When a filter change is needed the glow feature "pings" parents by gently dimming and brightening. Features hidden/covered cord storage and an extra wide base. 5 yr warranty.

Brand Name: Vornado Model Number: CR1-0061-17	Model Name: Vfan, Green Retail: \$109.99
--	---

A unique combination of power, aerodynamics and style. The vintage looking V-Fan is made of all metal. It features include 3 speed settings, twin air cones, a full action pivot head for multi-directional airflow and a 5 Year Limited Warranty.
