<p>Brand Name: Hitachi Tools Model Number: C10FCG</p>	<p>Model Name: 10" Compound Miter Saw Retail: \$160.99</p>
	<p>Lightest 10" compound miter saw in its class weighs 24.2lbs. Feat.15 Amp motor; 0-52 degree miter angle range to right &amp; left; 0-45 degree bevel range to left; Large table for better material support w/ vice clamping system; Thumb activated positive stops; Horizontal handle; Carbon brush access allows user to replace brush; Dust collector attachment minimizes airborne particles. Includes Saw blade, Dust bag, Vise Assembly &amp; 5mm Hex Bar Wrench.</p>
<p>Brand Name: Hitachi Tools Model Number: C10FCH2</p>	<p>Model Name: 10" Compound Miter Saw with Laser Marker Retail: \$245.99</p>
	<p>Feat. Hitachi's Laser Marker for increased cutting accuracy; 15 Amp motor; 0-52 Degree miter angle range to right &amp; left; 0-45 Degree bevel angle range to left; Horizontal handle; Large pivoting flip fence raises 4"; Large table; Thumb actuated positive stops; Carbon brush access; Dust collector minimizes airborne particles; Weighs 26.5lbs. Includes Saw Blade; Pivoting Flip Fence; Dust Bag; Vise Assembly; 10mm Box Wrench &amp; 4mm Hex Bar Wrench.</p>
<p>Brand Name: Hitachi Tools Model Number: C12FDH</p>	<p>Model Name: 12" Dual Compound Miter Saw with Laser Marker Retail: \$384.99</p>
	<p>Feat. Laser marker system;15Amp motor; Tall, pivoting aluminum fence; Horizontal handle; Large base; Externally accessible carbon brushes; Miter scale range 0-52 degrees; Thumb actuated positive stops; Bevel scale range 0-48; After major bevel angle is secured, micro-bevel adjustment knob can be used to dial-in to a precise angle. Includes Saw Blade, Dust Bag, Vise Assembly, Box Wrench and Hex Bar Wrench.</p>
<p>Brand Name: Hitachi Tools Model Number: C7SB3</p>	<p>Model Name: 7-1/4" 15 Amp Lightweight Circular Saw Retail: \$137.99</p>
	<p>15 Amp Circular Saw provides no-load 6,000 RPM. It is lightweight at only 9.5 lbs and has a cut capacity at 45 degrees 1-7/8" and 90 degrees 2-7/16". It features an easy access bevel angle and cutting depth adjustment; non-slip slim grip; heavy duty aluminum base with scales on front and side for accurate cuts; cord holder; dust blower; on-tool hex bar wrench storage and includes a soft carry bag.</p>

Brand Name: Hitachi Tools Model Number: CJ90VST		Model Name: Variable Speed Jig Saw w/ Blower Retail: \$116.99	
		Feat. 4-Mode orbital action to increase cutting efficiency through various materials; Tool-less blade changing; Powerful dust blower; Soft, vibration absorbing grip; Lightweight (4.9lbs); Cast aluminum nickel plated base plate offers solid support; Large cut capacity (3-1/2" in wood, 5/16" in steel); Lock-on variable speed trigger; Accepts "t" shank blades only. Includes No. 41 Jig Saw Blade and Allen Wrench. 5 Year Limited Warranty.	
Brand Name: Hitachi Tools Model Number: G12SS2		Model Name: 4-1/2" 5.1 Amp Angle Grinder Retail: \$62.99	
		Features a Powerful 5.1 Amp motor; High power-to-weight ratio; Class leading overloading durability; Low-Profile gear housing & compact body make working in tight areas possible; Rugged glass reinforced polyamide resin body & precision die-cast aluminum gear housing; Spindle lock; Smaller perimeter grip & forward-canted side handle; Trigger lock-on allows continuous operation. Includes Grinding Wheel, Wheel Guard, Side Handle and Wrench.	
Brand Name: Hitachi Tools Model Number: CV350V		Model Name: 3.5-Amp Oscillating Multi Tool Kit Retail: \$202.99	
		Kit features Powerful 3.5-Amp motor; Tool-less blade change; Unique auto-variable speed mode; Variable speed mode; Auto speed mode; Soft Start; Constant speed control; Ergonomic design; Universal design accepts the majority of accessories available on the market; Lightweight (3.3lbs). Includes 2 Wood Cutting Blades, Sanding Pad, 9- 60-Grit, 120-Grit & 240-Grit Sand Paper, Accessory Storage Box and Carrying bag. 5 Year Limited Warranty.	
Brand Name: Hitachi Tools Model Number: SV13YST		Model Name: 5" Variable Speed Random Orbital Finishing Sander Retail: \$82.99	
		Features Palm-style soft comfort grip to reduce vibration; Dust sealed rocker switch helps to extend tool life; 9000 to 13000 RPM variable speed dial to achieve super smooth finishes; Dust collection hose connector & adapter to reduce cleanup time; Powerful 2.8 Amp motor; Hook & Loop & 8 hole pad system allows you to change sanding sheets quickly & easily. Includes Sanding Paper 5" A-P120, Vacuum Adapter, Adapter (rubber) and Dust bag.	

Brand Name: Hitachi Tools		Model Name: 2-1/4 Peak HP Variable Speed Fixed/Plunge Base Router Kit	
Model Number: KM12VC		Retail: \$246.99	
		<p>Kit includes 11 Amp motor (2-1/4 Peak Horsepower); 2-Stage motor release clamp; Electronic speed control maintains constant RPMs; Class leading noise level only 79.5dB for a quieter workshop; Fine depth adjustment (plunge base) for precise depth control; 1/2" &amp; 1/4" Collet Chucks; Template Guide Adapter; Centering Gauge; 16mm and 23mm Wrenches; 4mm Hex Bar Wrench; Sub Base Plate; Hex Socket HD Bolt M5x10 (10pcs) and carrying case.</p>	
Brand Name: Hitachi Tools		Model Name: 12V Peak Lithium-Ion Driver Drill & Impact Driver Combo Kit	
Model Number: KC10DFL2		Retail: \$218.99	
		<p>Kit includes 2 12V Peak Lithium Ion batteries that deliver steady power for the duration of every charge; 12V Peak Lithium Ion Driver drill with a 3/8" keyless chuck and 21+1 clutch with 21 torque settings and a drill mode for ultimate precision and control; 12V Peak Lithium Ion Impact Driver with 955 in/lbs of torque, up to 2700 RMP and 3200 IPM, ideal for driving stubborn bolts and screws; flashlight and 40 Minute quick charger and carry bag.</p>	
Brand Name: Hitachi Tools		Model Name: 18V Lithium-ion Driver Drill & Impact Driver Combo Kit	
Model Number: KC18DGLS		Retail: \$260.99	
		<p>Kit includes 2 18V Lithium Ion Slide Type batteries that deliver steady power for the duration of the charge; 18V Lithium Ion Driver Drill that boasts 400 in/lbs of torque in a lightweight (3.7lbs) design; 18V Lithium Ion Impact Driver that weighs only 3.1lbs and delivers 1280 in/lbs of driving torque for heavier applications; Quick Charger; Double Sided Phillips #2 Driver bit and carrying bag.</p>	
Brand Name: Hitachi Tools		Model Name: 3.6V Lithium-Ion Cordless Screwdriver	
Model Number: DB3DL2		Retail: \$102.99	
		<p>Powered by a 1.5Ah Li-Ion battery for fade free power; Dual position handle; Spindle lock; 1/4" hex chuck; Built-in LED light; Compact and lightweight; Overload and over-discharge circuit protection; 21 clutch settings + 1 drill setting; Easy to use forward/reverse switches. Includes 2 1.5Ah 3.6V Li-Ion Batteries, Quick Charger, Phillips Bit &amp; Case. Lifetime Limited Warranty.</p>	

Brand Name: Hitachi Tools Model Number: DS18DBFL2S		Model Name: 18V Lithium-Ion Cordless Brushless Driver Drill Retail: \$247.99	
		18V Cordless Brushless Driver Drill features a brushless motor to provide lighter weight, more power and longer tool life. An all metal keyless, ratcheting chuck allows fast and easy bit replacement, also preventing bit slippage while in use. In addition, this brushless driver drill also comes with a bright LED, ergonomic grip, center balance design, belt hook and an on-tool battery indicator to elevate your working experience to the next level.	
Brand Name: Hitachi Tools Model Number: NH90AB		Model Name: 3-1/2" Palm Nailer Retail: \$55.99	
		Features 360 degree swivel fitting for maximum maneuverability; Magnetic nose holds a fastener in place for safe & accurate fastener placement; Front exhaust directs air away from user; Over-Molded rubber grip for added comfort, better hold & reduced vibration; Lightweight at only 1.3lbs; Accepts a 2-1/2" – 3-1/2" bulk nail; Ideal for installing joist hangers & metal connectors & includes Safety Glasses. 5 Year Limited Warranty.	
Brand Name: Hitachi Tools Model Number: PHT15939		Model Name: Compact Nailer Package Retail: \$92.99	
		Package incl. a 3-1/2" Palm Nailer & Professional Grade Polyurethane 1/4" x 50" Air Hose. Nailer Feat. 360 degree swivel fitting; Magnetic nose; Front exhaust; Over-Molded rubber grip; Lightweight; Accepts 2-1/2"–3-1/2" bulk nail. Hose can be used with pressures at or below 300-PSI and has a 3-to-1 burst ratio, and also includes bend restrictors and stays flexible even in cold weather.	
Brand Name: Hitachi Tools Model Number: NT50AE2S		Model Name: 2" 18-Gauge Brad Nailer Retail: \$110.99	
		Feat. Selective Actuation to allow user to select 2 different modes; Accepts 5/8"-2" 18-Gauge fasteners; Nail reload indicator; Tool-less easy to clear nose; Engineered with the safety behind the narrow nose piece & a short center height allows for nail placement in hard to reach areas; Depth of drive dial; No-mar tip on the nose; 360 Degree adjustable exhaust post. Incl. Safety Glasses, Air Fitting, No-Mar Tip, Hex Bar Wrenches & Carrying Case.	

Brand Name: Hitachi Tools Model Number: PHT15945		Model Name: Nailer Package Retail: \$157.99	
		Package includes 2" 18-Gauge Brad Nailer & Professional Grade Polyurethane 1/4" x 50" Air Hose. Brad Nailer feat. Selective Actuation to allow user to select 2 different modes; Accepts 5/8"-2" 18-Gauge fasteners; Depth of drive dial; No-mar tip on the nose; 360 Degree adjustable exhaust post. Hose can be used with pressures at or below 300-PSI & has a 3-to-1 burst ratio, & also includes bend restrictors and stays flexible even in cold weather.	
Brand Name: Hitachi Tools Model Number: NT1850DE		Model Name: 18V Brushless Lithium-Ion 18 Gauge Straight Brad Nailer Retail: \$467.99	
		Feat. Brushless motor; Compact 3.0Ah Li-Ion battery; Selective actuation switch transitions between sequential mode and bump fire mode; Tool-less depth of drive adjustment; Quick clear nose w/ tool-less jam release; LED light; Automatic shut off; Side-lock switch; Detachable no-mar nose cap; Pivoting belt hook; Compatible w/ Hitachi 18V Li-Ion slide type batteries. Incl. 3.0Ah Li-Ion Battery, Charger, Contractor Bag & Safety Glasses.	
Brand Name: Hitachi Tools Model Number: EC28M		Model Name: 1 Gallon Quiet Compressor Retail: \$179.99	
		The compressor produces just 59dB's of sound: so quiet that a normal conversation can be easily heard while the compressor is cycling nearby. It features an industrial oil-free pump; 2.8 Amp direct drive induction; an overload protection circuit that cuts off power in the case of an overload situation; and an ergonomically shaped rubber carrying handle. Extremely compact and weighs just 25.2 lbs. The steel roll cage design protects the factory installed universal quick coupler and steel encased industrial gauges. Zero set up time. 1 year warranty.	
Brand Name: Hitachi Tools Model Number: PHT15942		Model Name: 1 Gallon Quiet Compressor with Hose Retail: \$236.99	
		Package includes: 1 Gallon Quiet Air Compressor that features an industrial oil-free pump; 2.8 Amp direct drive induction; an overload protection circuit that cuts off power in the case of an overload situation; and an ergonomically shaped rubber carrying handle. Professional Grade Polyurethane 1/4" x 50" Air Hose.	

Brand Name: Hitachi Tools Model Number: EC99S		Model Name: 4 Gallon Portable Electric Twin Stack Air Compressor Retail: \$239.99	
		Features Motor thermal overload protection; Cast iron, oil-lubricated pump; 15 Amp direct drive induction motor; Locking regulator; Industrial air pressure gauges encased in steel; 105 On/135 Off Pressure Switch; Universal quick coupler; Lightweight and portable; Ball valve drain cock. 1 Year Limited Warranty.	
Brand Name: Hitachi Tools Model Number: PHT15948		Model Name: Compressor Package Retail: \$304.99	
		Package incl. 4 Gallon Portable Electric Twin Stack Air Compressor & Professional Grade Polyurethane 1/4"x50" Air Hose. Compressor Feat. Motor thermal overload protection; Cast iron oil-lubricated pump; 15 Amp direct drive induction motor; Industrial air pressure gauges; 105 On/135 Off Pressure Switch; Universal quick coupler. Hose can be used w/ pressures at or below 300-PSI & has 3-to-1 burst ratio & also includes bend restrictors.	
Brand Name: Hitachi Tools Model Number: 115445		Model Name: Heavy Duty Folding Sawhorses with Sawbucks - Set of 2 Retail: \$44.99	
		This 2 pack of Heavy Duty Folding Sawhorses with Sawbucks features the leading capacity at 1,200 lbs per pair, includes 2 sawhorses and 4 sawbucks, built in shelf and cord hooks and indentions to support 2" thick lumber.	
Brand Name: Hitachi Tools Model Number: UU240F		Model Name: Heavy-Duty Miter Saw Stand Retail: \$265.99	
		Features Heavy-duty steel construction to support up to 400lbs; Material support extensions; Accepts up to 12" sliding compound miter saw; Tool-less height adjustment of material supports for quick and easy set up; Quick-Release mounting brackets; Non-marring rubber feet on mounting brackets; Installed material stops are adjustable; Large 8" treaded wheels; Weighs only 50lbs. Includes Anchor Plates and Auxiliary Mounting Brackets.	

<p>Brand Name: Hitachi Tools Model Number: PHT15951</p>	<p>Model Name: Miter Saw Package Retail: \$461.99</p>
	<p>Package incl. Heavy-Duty Miter Saw Stand &amp; 10" Compound Miter Saw. Stand feat Heavy-duty steel construction; Material support extensions; Tool-less height adjustment; Quick-Release mounting brackets; Adjustable material stops. Saw is lightest 10" compound miter saw in its class, feat 15 Amp motor; 0-52 degree miter angle range to right &amp; left; 0-45 degree bevel range to left; Large table; Thumb activated positive stops; Carbon brush access.</p>
<p>Brand Name: Hitachi Tools Model Number: PHT13549</p>	<p>Model Name: Grinder Package Retail: \$89.99</p>
	<p>Grinder Package feature 4-1/2" Angle Grinder, safety eye wear, metal cutting disc and sanding disc. Compact and lightweight (weighs just over 3 lbs). It features a low-profile gear housing; a rugged, glass reinforced poly amide resin body; small perimeter grip; externally accessible carbon brushes: trigger lock-on and spindle lock. Includes: wheel guard, side handle and wrench.</p>
<p>Brand Name: Hitachi Tools Model Number: PHT16044</p>	<p>Model Name: Driver Drill Package Retail: \$302.99</p>
	<p>Package includes: 18V Lithium-Ion Cordless Brushless Driver Drill and a 120pc. Drill and Drive Bit Set. The tool features a brushless motor to provide lighter weight, more power and longer tool life. An all metal keyless, ratcheting chuck allows fast and easy bit replacement, also preventing bit slippage while in use. In addition, this brushless driver drill has an ergonomic grip, center balance design, belt hook and an on-tool battery indicator to elevate your working experience to the next level.</p>
<p>Brand Name: Hitachi Tools Model Number: PHT16047</p>	<p>Model Name: Driver Combo Package Retail: \$255.99</p>
	<p>Drive Combo Package includes: 12V Lithium-Ion Micro Driver Drill with a 3/8" keyless chuck and 21 torque settings; 12V Lithium-Ion Micro Impact Driver that delivers 840 in/lbs of driving torque for heavier applications; 2- 1.5Ah Lithium-Ion batteries; and a 120 pc. Drill and Drive Bit Set</p>

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Metabo Professional Workshop Package  
 Model Number: PHT16059      Retail: \$736.99

Package includes: Driver drill (3.7 lbs) with 400 in/lbs of torque and a 22+1 stage clutch and 1/2" keyless ratcheting chuck; Impact Drill (3.1 lbs) that delivers 1280 in/lbs of driving torque with a 1/4" quick-change chuck; 1-18V 1.3Ah lithium-ion battery and a bonus 2.5Ah lithium-ion battery; quick charger; carrying bag; double ended Phillips driver bit; 5-drawer tool chest and cabinet and a Crescent 148 piece professional tool set.

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Metabo Package  
 Model Number: PHT16062      Retail: \$619.99

Package includes: Driver drill (3.7 lbs) with 400 in/lbs of torque and a 22+1 stage clutch and 1/2" keyless ratcheting chuck; Impact Drill (3.1 lbs) that delivers 1280 in/lbs of driving torque with a 1/4" quick-change chuck; 1-18V 1.3Ah lithium-ion battery and a bonus 2.5Ah lithium-ion battery; quick charger; carrying bag; double ended Phillips driver bit; 5-drawer tool chest and cabinet and a Crescent 84 piece professional tool set.

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Ultimate Tool Package  
 Model Number: PHT16128      Retail: \$572.99

The Ultimate Tool Package includes: a metabo HPT 18V Lithium Ion Driver Drill & Impact Driver Combo Kit and 120 pc. Driver Set; a Crescent 148 pc. General Purpose Tool Set with Hard Case; and a Police Security Morf B300 Headlamp with detachable head.

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Nailer Package  
 Model Number: PHT16131      Retail: \$414.99

This Nailer Package includes: a metabo HPT 2" 18 Gauge Brad Nailer with selective actuation to allow user to select bump fire or contact fire modes with the flip of a switch; polyurethane 1/4" x 50' air hose and 1 Gallon Quiet Compressor with 2.8 Amp direct drive induction and an overload protection circuit; a Police Security Morf B300 Headlamp with detachable head; and a pair of Edge Safety glasses.
