

Spring Projects Gift Guide

2017

We have the latest products to help any award winner tackle those tough spring projects with ease

The Must-Have Products for Spring Projects

Spring has finally sprung and for a lot of people that means one thing...spring projects! Much of the country has shed the long dark winter for spring's brighter sun and warmer air. The only problem with all of that bright sunshine is that it also highlights outdoor projects that have to get done.

We have the latest products to help any award winner tackle those tough projects with ease from trusted brands like Hitachi, Apex, Gardena and Workshop. From leaf blowers to hedge trimmers and everything in-between we have the selection they want!

These products would be perfect for workplace safety programs, continuity awards, years of service awards and sales incentives.

Comfort Cordless Set

#8897-20

Equipped with 2 different blades-the shears are suited for cutting lawn edges, pruning bushes & shrubs. Blades can be changed safely and easily without any tools. Comfort handle can be angled & optimally adjusted to the natural hand position & the exchangeable quality blades are precision-ground and non-stick coated. The shears come with a battery charger and a blade protector for safe storage.
