<p>Brand Name: Champion Model Number: 100103</p>	<p>Model Name: 3800 Watt Portable Generator Retail: \$702.00</p>
	<p>Versatility and power are yours with the Champion 3800-watt portable generator. Rely on the Champion 224cc engine and enjoy up to 9 hours of run time at 50% load with a noise level of 68 dBA. This RV Ready generator features Intelligauge with Power Meter; Cold Start Technology; plenty of outlets; a 3.4 gallon gasoline tank for up to 9 hours of power at 50% load and is your perfect portable power solution. It is EPA certified and CARB compliant. 3-year limited warranty and free lifetime technical support. Includes oil funnel, wheel kit and engine oil.</p>
<p>Brand Name: Champion Model Number: 100110</p>	<p>Model Name: 9200 Watt Portable Generator Retail: \$1,620.00</p>
	<p>Rugged and reliable 9200-watt generator with included engine oil features Intelligauge to monitor output and Volt Guard™ to prevent overloads. The 459cc engine with electric start and included battery has all the power you need for home backup during an outage or your next project. EPA certified and CARB compliant. Features Cold Start Technology; low oil sensor; and 3-year warranty. 11,500 starting watts and 9200 running watts, to handle lights, refrigerator, modem/router, security system, window AC, furnace blower, TV, computer and phone charger.</p>
<p>Brand Name: Champion Model Number: 100111</p>	<p>Model Name: 12,000 Watt Portable Generator Retail: \$3,454.00</p>
	<p>Powerful 12,000-watt generator provides up to 9 hours of run time on a full tank of gasoline. The reliable 717cc V-Twin engine with electric start and included battery features Cold Start Technology; Lift Hook; foldaway U-Shaped handle; never flat tires; built-in surge protector; low oil shut-off sensor; 3-year warranty; Intelligauge and has all the power you need and more for home backup during an outage or your next project. EPA certified and CARB compliant. Includes oil funnel, wheel kit, engine oil and battery.</p>
<p>Brand Name: Champion Model Number: 100148</p>	<p>Model Name: 2000 Watt Inverter Generator Retail: \$898.00</p>
	<p>Lightweight, 2000-watt stackable inverter generator is great for camping/tailgating. Rely on the 80cc engine and enjoy a quiet 53 dBA for up to 9.5 hours of run time. Optional Parallel Kit with RV Ready outlet and 30 amps of power doubles output and saves space. Can connect with another Champion 2000-watt inverter for 30 amps of power. EPA certified and CARB compliant. Features Cold Start technology, smart Economy mode; 3-year limited warranty and free lifetime technical support. Includes oil funnel, engine oil, spark plug tool & battery charging cables.</p>

<p>Brand Name: Champion Model Number: 100161</p>	<p>Model Name: 7500 Watt Wireless Start Portable Generator Retail: \$1,535.00</p>
	<p>7500-watt generator with remote key fob allows you to start and stop your generator from up to 80 feet away. The 439cc engine with electric start and included battery features Cold Start Technology; foldaway U-shaped handle; never flat tires; Volt Guard built-in surge protector; quick drain oil tube; 3-year warranty; free lifetime technical support; Intelligauge and has all the power you need for your RV, home backup during an outage or your next project. Includes oil funnel, wheel kit, engine oil, and remote key fob. EPA certified and CARB compliant.</p>
<p>Brand Name: Champion Model Number: 100231</p>	<p>Model Name: 5500 Watt Dual Fuel Portable Generator Retail: \$1,166.00</p>
	<p>5500-watt portable generator with Dual Fuel Technology allows the 389cc engine to run on gasoline or propane. This unit includes a propane hose, and provides up to 10 hours of run time on gasoline or 6.5 hours on propane. EPA certified and CARB compliant. Features Cold Start Technology to ensure a quick start in cold weather; Volt Guard built-in surge protector; low oil shut-off sensor; foldaway U-shaped handle; wheel kit with never flat tires; oil funnel; 3-year warranty and free lifetime technical support.</p>
<p>Brand Name: Champion Model Number: 100261</p>	<p>Model Name: 3400 Watt Portable Inverter Generator with Remote Start Retail: \$1,948.00</p>
	<p>This 3400-watt inverter generator with remote key fob allows you to start and stop your generator from up to 80 feet. The 192cc Champion engine with electric start includes a battery, two 120V 20A household outlets plus a 2V DC automotive style outlet with dual USB adapter and features Economy Mode. Since this inverter produces only Clean Power (less than 3% THD), you can connect your sensitive electronics with confidence. Designed for safety with a low oil shut-off sensor. 3 year limited warranty.</p>
<p>Brand Name: Champion Model Number: 100263</p>	<p>Model Name: 3400 Watt Dual Fuel Inverter Retail: \$1,998.00</p>
	<p>3400-watt inverter with electric start features Dual Fuel, allowing the 192cc engine to run on either gasoline or propane. Enjoy a quiet 59 dBA for up to 7.5 hours on gasoline or 14.5 hours on propane. Designed for safety with a low oil shut-off sensor, this inverter has a 0.6-quart oil capacity. EPA certified and CARB compliant. Fully assembled with foldaway handle for easy storage and built-in handles and never-flat tires for easy transport. 3-year warranty and free lifetime technical support.</p>

Brand Name: Champion Model Number: 100302	Model Name: 3500 Watt Digital Hybrid Inverter Generator Retail: \$1,156.00
--	---

This Digital Hybrid is 50% quieter and 20% lighter than a traditional 3500-watt generator. Our advanced feature-packed power solution includes Quiet Technology, Extended Run Time, Economy Mode and Clean Power. The recoil start features Cold Start Technology. The outlets include a 120V 30A RV (TT-30R), two 120V 20A household outlets (5-20R) and a 12V DC automotive-style outlet with a dual USB adapter and battery-charging cables. This 224cc engine runs for 17 hours at 25% load when fuel tank is full. 3 year limited warranty.

Brand Name: Champion Model Number: 100306	Model Name: 2000 Watt Inverter Generator Retail: \$898.00
--	--

Lightweight power 2000-watt stackable inverter generator. Rely on the 80cc engine and enjoy a quiet 53 dBA for up to 11 hours of run time. Features an innovative EZ start dial; digital LED Display includes maintenance, low oil and receptacle status indicators and monitors power output, total run time, fuel level and fuel life; Fuel Fill Assist LED; smart Economy Mode; low oil shut-off sensor; 3-year warranty and free lifetime technical support. EPA certified and CARB compliant. Includes USB adapter and oil funnel.

Brand Name: Champion Model Number: 100307	Model Name: 3500 Watt Dual Fuel Portable Generator Retail: \$670.50
--	--

3500-watt RV Ready generator features Dual Fuel, allowing the 224cc engine to run on either gasoline or propane. Featuring Intelligauge, Volt Guard™ and Cold Start Technology, unit includes a propane hose and provides up to 9 hours of run time on gasoline or 10.5 hours on propane. patented fuel selector switch allows for safe switching between fuel sources. Enough power to start and run a 15,000 BTU RV air conditioner, can also power the essentials in a power outage. EPA certified and CARB compliant. 3-year warranty and free lifetime technical support.

Brand Name: Champion Model Number: 100319	Model Name: 50-Amp ParaLINK Parallel Kit Retail: \$126.00
--	--

Champion's Parallel Kit increases your power by connecting two 2800-watt or higher inverter generators. Quickly and easily installed without tools, this kit includes circuit breakers plus 120V 30A locking and 120V 50A RV outlets with enough power to start and run two 15,000 BTU RV air conditioners. It is RV ready and includes a 1 year limited warranty.

Brand Name: Champion Model Number: 100331	Model Name: 3650 Watt Portable Generator Retail: \$583.00
--	--

This 3650-watt portable generator with a 224cc engine provides up to 9 hours of run time at 50% load with a noise level of 68 dBA. The RV Ready generator features Cold Start Technology that ensures a quick start in cold weather; Intelligauge monitors voltage, frequency and operating hours to monitor power output and track maintenance intervals; Volt Guard built-in surge protector; low oil shut-off sensor, 3-year warranty and free lifetime technical support. EPA certified. Includes oil funnel & engine oil. Not carb compliant. Cannot ship to CA.

Brand Name: Champion Model Number: 100468	Model Name: 30-Amp ParaLINK Parallel Kit Retail: \$125.30
--	--

Kit is designed to instantly increase power and save space by connecting 2 stackable 2000-Watt inverter generators. Designed to fit between two 2000-Watt Champion inverters, it seamlessly integrates the 2 inverters with a simple stacking setup-no tools necessary. The self-storing internal compartment protects your cables, prevents damage and saves hassle from tangling. The 120-Volt 30 Amp RV and 120-Volt 30 Amp locking outlets are easy to access. This RV Ready kit gives you 30 Amp of output - enough power to start and run a 15,000 BTU RV air conditioner.

Brand Name: Champion Model Number: 100519	Model Name: 5000 Watt Digital Hybrid Inverter Generator Retail: \$1,577.00
--	---

6250-Watt Digital Hybrid is 50% quieter and 20% lighter than a traditional 5000-watt generator with Quiet Technology, Extended Run Time, Economy Mode and Clean Power. The Intelligauge monitors voltage, frequency and operating hours, and Cold Start Technology ensures a quick start in cold weather. The covered outlets in this inverter include a 120/240V 30A locking outlet (L14-30R), four 120V 20A GFCI protected household outlets (5-20R) and 12V DC automotive-style outlet with a dual USB adapter and battery-charging cables. EPA certified and CARB compliant.

Brand Name: Champion Model Number: 100573	Model Name: 3500 Watt Digital Hybrid Inverter Generator - Remote Start Retail: \$1,238.00
--	--

4000-Watt RV Ready Digital Hybrid features a remote key fob so you can start and stop your inverter from up to 80 feet away. With Quiet Technology, Extended Run Time, Economy Mode, Clean Power, and the optional Parallel Kit, this Digital Hybrid inverter has the advanced power you need. The outlets in this RV Ready inverter include a 120V 30A RV (TT-30R), two 120V 20A household outlets (5-20R) and a 12V DC automotive-style outlet with a dual USB adapter and battery-charging cables. Includes wheel kit, USB adapter and oil funnel. 3-year limited warranty.

Brand Name: Champion Model Number: 100778	Model Name: 2800-PSI 2.1-GPM Low Profile Gas Pressure Washer Retail: \$449.00
	<p>2800-PSI gas pressure washer with 2.1 GPM features five nozzles, a detergent tank, 12-inch wheels, a 25-foot high-pressure hose, comfort grip gun and an AR axial cam pump for consistent cleaning. Powered by a 196cc engine, this unit provides cleaning power in a practical design. The low profile design along with the 12" wheels make this pressure washer easy to maneuver. The handy hose storage strap plus onboard storage for the rubber high-pressure hose, trigger gun and spray wand ensure you'll have what you need when you need it. 2-year limited warranty.</p>
Brand Name: Champion Model Number: 100780	Model Name: 3100-PSI 2.2-GPM Low Profile Gas Pressure Washer Retail: \$499.00
	<p>3100-PSI gas pressure washer with 2.2 GPM features five nozzles, a detergent tank, 12-inch wheels, a 25-foot high-pressure hose, comfort grip gun and an AR axial cam pump for consistent cleaning. Powered by a 224cc Champion engine, this unit provides cleaning power in a practical design. The low profile design along with the 12-inch wheels make this pressure washer easy to maneuver. This pressure washer is EPA certified and has a 2-year limited warranty.</p>
Brand Name: Champion Model Number: 100784	Model Name: 3200-PSI 2.5-GPM Low Profile Gas Pressure Washer Retail: \$549.00
	<p>3200-PSI gas pressure washer with 2.5 GPM features five nozzles, a detergent tank, 12-inch wheels, a 25-foot high-pressure hose, comfort grip gun and an AR axial cam pump for consistent cleaning. Powered by a 224cc engine, this unit provides cleaning power in a practical design. Low profile design along with the 12-inch wheels make this pressure washer easy to maneuver. The handy hose storage strap plus onboard storage for the rubber high-pressure hose, trigger gun and spray wand ensure you'll have what you need when you need it. 2-year limited warranty</p>
Brand Name: Champion Model Number: 100786	Model Name: 3500-PSI 2.5-GPM Commercial Duty Gas Pressure Washer Retail: \$699.00
	<p>Commercial duty 3500-PSI gas pressure washer with 2.5 GPM features 5 nozzles, 10-inch tires, a 50-foot high-pressure rubber hose, and an AR Triplex Brass Head pump. Powered by a 224cc engine, it provides professional cleaning power in a practical design. Low profile design along with the 10-inch tires make it easy to maneuver. Handy hose storage strap plus onboard storage for the rubber high-pressure hose, trigger gun and spray wand. 0.9-gallon fuel tank and designed with a low oil shut-off sensor and 0.6 qt. oil capacity. EPA certified and 2-yr warranty.</p>

<p>Brand Name: Champion Model Number: 100790</p>	<p>Model Name: 4200-PSI 4.0-GPM Commercial Duty Gas Pressure Washer Retail: \$899.00</p>
	<p>Commercial duty 4200-PSI gas pressure washer with 4.0 GPM features five nozzles, 10-inch tires, a 50-foot high-pressure rubber hose, and an AR Triplex Brass Head pump. Powered by a 389cc engine, this unit provides professional cleaning power in a practical design. Low profile design along with the 10" tires make it easy to maneuver. Handy hose storage strap plus onboard storage for the rubber high-pressure hose, trigger gun and spray wand. 1.6-gallon fuel tank; low oil shut-off sensor and 1.2 qt. oil capacity. EPA certified and 2-year warranty.</p>
<p>Brand Name: Champion Model Number: 42432</p>	<p>Model Name: 1400 Watt Portable Generator Retail: \$378.00</p>
	<p>The Champion 1400-Watt Multi-Purpose Portable Generator is the perfect "what if" generator. Enjoy 10 hours of run time on a full tank of gas, with a noise level of 65dBA from 23 feet. Includes a 120V 20A household outlet and provides just enough power for RV-use, camping etc. Designed for safety with a convenient push-to-reset circuit breaker and a low oil shut-off sensor, this unit has a 0.4-quart oil capacity and comes with an oil funnel for easy changes. The Cold Start Technology ensures a quick start in cold weather. EPA certified and CARB compliant.</p>
<p>Brand Name: Champion Model Number: PCP16065</p>	<p>Model Name: Dual Generator Package - 2000 Watt Retail: \$1,922.00</p>
	<p>Instantly increase power by connecting the two inverter generators with a simple stacking setup-no tools necessary. Each generator produces 2000 starting watts, 1600 running watts and up to 11 hours of run time at 25% load when the 1.1-gal gas tank is full. The self-storing internal compartment protects your cables, prevents damage and saves hassle from tangling. The 120-Volt 30 Amp RV and 120-Volt 30 Amp locking outlets are easy to access. This RV Ready kit gives you 30 Amp of output - enough power to start and run a 15,000 BTU RV air conditioner.</p>
<p>Brand Name: Champion Model Number: PCP16089</p>	<p>Model Name: Dual Generator Package - 3400 Watt Retail: \$4,022.00</p>
	<p>Instantly increase power by connecting the two inverter generators. Each 3400-watt inverter generator with remote key fob allows you to start and stop your generator from up to 80 feet. The 192cc Champion engines with electric start each include a battery and features Economy Mode. Your power is increased with the Parallel Kit which Quickly and easily is installed without tools, this kit includes circuit breakers plus 120V 30A locking and 120V 50A RV outlets with enough power to start and run two 15,000 BTU RV air conditioners.</p>

Brand Name: Champion
Model Number: PCP16092

Model Name: Dual Generator Package - 3400 Watt Dual Fuel
Retail: \$4,122.00

Instantly increase power by connecting the two inverter generators with electric start and feature Dual Fuel allowing the 192cc engine to run on either gasoline or propane. Enjoy a quiet 59 dBA for up to 7.5 hours on gasoline or 14.5 hours on propane.
