

### Ariston Olive Oil

- Produced near the Mediterranean Sea
- Low in acidity, high in quality.
- Low acidity is responsible for the rich color and the delicate, fruity taste
- An acidity level of .05 is considered good quality - Ariston oils are .05 or less
- Olive groves are tested yearly to maintain the highest standards

### Balsamic Vinegar

- Imported from Modena, Italy
- Aged in oak barrels - this gives the vinegar a fruity taste
- No added sugar - all sugars come from the fruit

**Ariston**<sup>®</sup>  
Greek for "The Very Best"
