

# Escali®

Measuring What's Next™

The Escali SmartConnect mobile app is compatible with the SmartConnect Body Scale or Kitchen Scale to help you keep track of your diet and body weight all in one place.

## SC15KS SmartConnect™ Bluetooth® Kitchen Scale

Send wireless measurements from the SmartConnect™ Kitchen Scale to the Escali SmartConnect™ app on your Apple or Android mobile device to analyze up to 35 nutrients from a database of over 8,000 food items and save those measurements in a private food journal to graph nutrition over time and spot trends before they become problems. Scale is useful even when it is not paired to the SmartConnect™ mobile app.

Smartphone not included

### Features:

- Send wireless weight measurements to the Escali SmartConnect™ app
- Bluetooth® Low Energy technology (Bluetooth 4.0)
- Smooth glass surface with integrated touch sensitive controls
- Tare feature to reset the scale to zero weight
- Automatic Shut-off ensures long battery life (3 AAA batteries included)
- Back light display for low light environments
- Capacity: 11 pounds (5,000 grams)
- Graduation: 0.1 ounce (1 gram)
- Kitchen timer
- Dimensions: 9.75" x 6" x .75"

Smartphone not included

## SC200BS SmartConnect™ Bluetooth® Body Scale

Send wireless measurements from the SmartConnect™ Body Scale to the Escali SmartConnect™ app on your Apple or Android mobile device to track body weight, BMI, set goals and view progress.

### Features:

- Send wireless weight measurements to the Escali SmartConnect™ app

- Graduation: 0.1 ounce (1 gram)
- Dimensions: 12.5" x 12.5" x 1"

# KITCHEN and MULTIFUNCTIONAL DIGITAL SCALES

## #ST115 BELA Scale

The Bela features rounded edges that are graceful and durable. Touch sensitive controls and a stainless steel plate make this scale easy to wipe clean.

### Features:

- Touch sensitive controls
- Tare feature to reset the scale to zero weight
- Automatic Shut-off ensures long battery life (1 lithium battery included)
- Measures: ounces, pounds + ounces, fluid ounces, grams and milliliters
- Capacity: 11 pounds (5,000 grams)
- Graduation: 0.1 ounce (1 gram)
- Dimensions: 8.5" x 5.94" x .75"

## #157 ARTI Glass Scale

Capable of weighing liquid and dry ingredients up to an astounding 15 lbs with an accuracy of 0.1 ounces, or 1 gram. The Arti's crisp and clear display, which is 50% larger than commonly found on a kitchen scale, sits between the user friendly touch sensitive controls. Also available in natural bamboo surface (#ECO157).

### Features:

- Smooth glass surface makes clean up fast and easy
- Display hold: weight holds on screen when weighing large items
- Automatic shut-off feature ensures long battery life (2 lithium batteries included)
- Tare feature: subtracts a container's weight to obtain the weight of its contents
- Measures: ounces, pounds + ounces, fluid ounces, grams and milliliters
- Capacity: 15 pounds (7 kilograms)
- Graduation: 0.1 ounce (1 gram)
- Dimensions: 9" x 6.5" x .75"

## #V136 PANA Scale

A cup is a cup, is a cup - but is it? Measuring cups can yield different results depending on the density of the ingredient and how the cook packs it. The Pana scale solves this problem with accurate volume measurements in cups and tablespoons.

### Features:

- A bakers *must have* scale
- Switch between regular weighing mode and volume mode
- Automatic shut-off feature ensures long battery life (1 9V battery included)
- Tare feature: subtracts a container's weight to obtain the weight of its contents
- Measures: cups, tablespoons, ounces, pounds + ounces, fluid ounces, grams and milliliters
- Capacity: 13 pounds (6 kilograms)
- Graduation: 0.1 ounce (1 gram)
- Dimensions: 9.25" x 7.75" x 1.5"

## #115G VITRA Glass Platform Scale

The Vitra comes with a tempered glass platform and enhanced qualities including a timer, kitchen clock and ambient air thermometer.

### Features:

- Removable tempered glass surface makes clean up fast and easy
- Automatic shut-off feature ensures long battery life (3 AAA batteries included)
- Tare feature: subtracts a container's weight to obtain the weight of its contents
- Measures: ounces, pounds + ounces, grams and kilograms
- Capacity: 11 pounds (5 kilograms)
- Graduation: 0.1 ounce (1 gram)
- Dimensions: 9" x 6" x 1.5"

## #115NS **CESTO** Diet Tracking Nutritional Scale

The ultra slim Cesto portable nutritional scale allows the user to have access to weight and nutritional data at home and away. The user friendly "touch glass" display shows calories, sodium, protein, fat, carbohydrates, cholesterol or fiber via the input of 999 different food codes. The Cesto can calculate total nutritional value for up to 99 different meal components. Smooth, glass surface makes clean up fast and easy.

### Features:

- Tracks calories, sodium, protein, fat, carbohydrates, cholesterol or fiber
- Memory Recall feature: allows user to add multiple food components for net nutritional values
- Tare feature: subtracts a container's weight to obtain the weight of its contents
- Automatic Shut-off ensures long battery life (1 lithium battery included)
- Measures: ounces, pounds + ounces, fluid ounces, grams and milliliters
- Capacity: 11 pounds (5 kilograms)
- Graduation: 0.1 ounce (1 gram)
- Dimensions: 11.5" x 8.25" x 2.25"

## #P115 **PRIMO** Scale

The Primo scale comes in a variety of eye catching colors. These digital scales are very easy to use with the two-button operation.

### Features:

- Sealed buttons and display for protection against accidental spills
- Automatic shut-off feature ensures long battery life (2 AA batteries included)
- Tare feature: subtracts a container's weight to obtain the weight of its contents
- Measures: ounces, pounds + ounces and grams
- Capacity: 11 pounds (5 kilograms)
- Graduation: 0.1 ounce (1 gram)
- Dimensions: 8.5" x 6" x 1.65"

Measuring

## #US200L Easy Read Body Scale

The Easy Read Body scale features an extra large display and low profile for a safe and stable base. The bright blue back light adds extra visibility in low light environments and the Display Hold feature ensures you never miss a measurement!

**Features:**

- Extra large & easy to read display (3.7" x 3")
- Ultra low profile makes the scale safe, stable and easy to step on
- Automatic-on & Shut-off features ensure long battery life and eliminate any need to bend over to operate the scale (4 AAA batteries included)
- Measures: pounds and kilograms
- Capacity: 440 pounds (200 kilograms)
- Graduation: 0.2 pound (0.1 kilogram)
- Dimensions: 12.5" x 12" x .75"

## #ECO180 SOLAR Powered Bamboo Bath Scale

This eco-friendly scale is powered by its own solar panels and features a natural bamboo weighing surface. The Instant-on and Automatic Shut-off features make the ECO180 very easy to use. Simply step on, wait for the display to blink, and step off. With the user friendly Display Hold feature, weight measurements will stay on display even after you step off the scale.

**Features:**

- Solar powered by artificial or natural light
- Measures: pounds, kilograms and stones
- Capacity: 400 pounds (180 kilograms)
- Graduation: 0.2 pound (0.1 kilogram)
- Dimensions: 12.25" x 12.25" x 1.5"

## #S200 Stainless Steel Bath Scale

The S200 features a large stainless steel platform with a sleek and stylish design. The Instant-on and Automatic Shut-off features make this body weight scale very easy to use. Simply step on, wait for the display to blink and step off. Weight measurements are then easily read from the LED display for an additional 5 seconds with the Display Hold feature.

**Features:**

- Oversized stainless steel weighing platform
- Instant-on & Automatic shut-off features ensure long battery life (6 AAA batteries included)
- Measures: pounds and kilograms
- Capacity: 440 pounds (200 kilograms)
- Graduation: 0.2 pound (0.1 kilogram)
- Dimensions: 13.75" x 13.5" x .75"

## #US180B Ultra Slim Bath Scale

This sleek black bathroom scale with blue back light and stainless steel display will have an understated presence in your bathroom. The ultra slim design is equipped with an instant weighing mode feature providing instant weighing data as the scale turns on automatically when user steps on it. The large display and 10 second hold feature will give the user easy access to body weight info.

**Features:**

- Instant-on & Automatic shut-off features ensure long battery life (4 AAA batteries included)
- Measures: pounds and kilograms
- Capacity: 400 pounds (180 kilograms)
- Graduation: 0.2 pound (0.1 kilogram)
