Brand Name: Wagan Tech Model Number: 2257		Model Name: Mighty Impact Wrench 12V Retail: \$84.95	
		<p>You are driving, suddenly the vehicle starts to handle oddly, sluggishly. You pull over to the shoulder only to find out that the tire is flat. You have a spare tire, but how do you put it on? The Wagan Mighty Impact Wrench is going to help get you back on the road in a short amount of time! The case contains all of the necessary tools to remove lug nuts: the Mighty Impact Wrench spare fuses two double sided sockets. The grip of the Mighty Impact Wrench has a rubberized texture to aid in firm handling of the wrench in less than ideal conditions.</p>	
Brand Name: Wagan Tech Model Number: 2484		Model Name: Brite-Nite 2 Million LED Spotlight Lantern-Yellow Li-ion Retail: \$49.95	
		<p>Brite-Nite 2 Million LED Spotlight Lantern - Its name is long, so is the distance you'll see when using it! Featuring both High and Low beam spotlight modes, the Brite-Nite 2 Million LED Spotlight Lantern will illuminate objects at long distances with a 600 lumen beam of light. On the side of the Brite-Nite 2 Million LED Spotlight Lantern are 12 white LEDs for those times when you need a wide spread of light for close-up work, and 6 Red LEDs that flash to alert oncoming motorists of your situation.</p>	
Brand Name: Wagan Tech Model Number: 2485-9		Model Name: PowerDome NX2 Retail: \$224.95	
		<p>Wagan Tech's Power Dome NX2 is a mighty unit in a small package. With so many features built in to this small device, this has become an essential item for anyone who travels along the roadways today. Jump Starter, Bluetooth, Air Compressor, AC & DC outlets, USB power port, built-in inverter, AC outlets, and an AM/FM Radio with digital tuner, the NX2 has it all! The Power Dome NX2 is a Bluetooth enabled device that allows you to play your favorite music, enhance the audio portion of video playback, and stream music. Lead-acid battery.</p>	
Brand Name: Wagan Tech Model Number: 2639-3		Model Name: F.R.E.D. Light (3 per pack with bag) Retail: \$59.95	
		<p>Wagan Tech's Flashing Roadside Emergency Disk (FRED) is a safe, bright and effective tool for warning other motorists of your emergency roadside situation. A safe alternative to road flares, the FRED Light is IP55 rated, shatterproof, extremely bright, and is a highly versatile and valuable tool no matter what your use. Use it at home or on the road, your friend FRED will not let you down! With 9 Flash modes and a 3 white LED worklight, FRED is as useful as it is versatile.</p>	

Brand Name: Wagan Tech Model Number: 2871		Model Name: USB Air Purifier Retail: \$59.95	
		<p>Our USB Air Purifier helps to remove 99.95% of contaminants including pollution, allergens, dust, pollen, and more! Breathe easier with Wagan Tech! Wow, where do we begin?! HEPA Air Filtration, UV-C disinfecting light (germicidal lamp), Air ionizer, USB powered, all enclosed in a sturdy yet sleek aluminum case that fits in a cup holder! Who it's for You, Me, Everyone! If you like breathing clean air with reduced allergens, dust and pollution, then this is for you.</p>	
Brand Name: Wagan Tech Model Number: 2872		Model Name: USB Deluxe Air Purifier Retail: \$89.95	
		<p>Our USB Air Purifier helps to remove 99.95% of contaminants including pollution, allergens, dust, pollen, and more! Breathe easier with Wagan Tech! Features wow, where do we begin?! HEPA Air Filtration, UV-C disinfecting light (germicidal lamp), Air ionizer, 2-Speed Fan (High/Low), Aromatherapy ready, USB powered, all enclosed in a sturdy yet sleek aluminum case that fits in a cup holder!</p>	
Brand Name: Wagan Tech Model Number: 3716		Model Name: Slimline 500W Inverter Retail: \$79.95	
		<p>Wagan SlimLine 500W Inverter is high output, compact, and slim; hence the reason it is a part of the Slimline Inverter family. Designed to be compact, lightweight, and offering full 500 watts of continuous TrueRated power; it is the solution to your power needs. Features 500 Watts of continuous TrueRated power, 2 AC receptacles as you'd find in your home, 2.1A USB Power Port, thermal cooling fans, and a slew of safeties built in, the SlimLine 500W Inverter is exactly what you've been looking for!</p>	
Brand Name: Wagan Tech Model Number: 3720		Model Name: Slimline 1000W Inverter Retail: \$154.95	
		<p>Wagan SlimLine 1000 Watt Inverter is high output, compact, and slim; hence the reason it is in our Slimline family of power inverters. We have dubbed this line "Slimline" as all of the inverters are high performance but as slim and compact as possible. Featuring 3 US standard AC outlets, Power and fault LED Lights, USB Power Ports, Power switch and thermal cooling fans, the SlimLine 1000 Watt Inverter is ideal for your high power needs!</p>	

Brand Name: Wagan Tech Model Number: 3722		Model Name: Slimline 1500W Inverter Retail: \$189.95	
		<p>Wagan SlimLine 1500 Watt Inverter is high output, compact, and slim; hence the reason it is in our Slimline family of power inverters. We have dubbed this line "Slimline" as all of the inverters are high performance but as slim and compact as possible. Featuring 3 US standard AC outlets, Power and fault LED Lights, USB Power Ports, Power switch and thermal cooling fans, the SlimLine 1500 Watt Inverter is ideal for your high power needs.</p>	
Brand Name: Wagan Tech Model Number: 3724		Model Name: Slimline 2000W Inverter Retail: \$324.95	
		<p>Wagan SlimLine 2000W Inverter is high output, compact, and slim; hence the reason it is in our Slimline family of power inverters. We have dubbed this line "Slimline" as all of the inverters are high performance but as slim and compact as possible. Taking cues from its big brother, the SlimLine 2000W Inverter is small in size, but offers huge performance. 2000 Watts of TrueRated power, 3 AC receptacles as you'd find in your home, thermal cooling fans, and a slew of safeties built in, the SlimLine 2000W Inverter is exactly what you've been looking for!</p>	
Brand Name: Wagan Tech Model Number: 3732		Model Name: Slimline Plus 1250W Inverter Retail: \$209.95	
		<p>Taking a cue from its big brothers, the SlimLine Plus 1250 Power Inverter is small in size, but packs a punch. With 1250 watts of TrueRated power, 3 AC receptacles (wall outlet style) like you'd find in your home, USB power port, thermal cooling fans, and a host of built-in protections, the SlimLine Plus 1250 Power Inverter is exactly what you have been looking for.</p>	
Brand Name: Wagan Tech Model Number: 3742		Model Name: Proline 3000W Inverter + Remote 12V Retail: \$529.95	
		<p>Starting from the ground up, the new 3,000 watt inverter received a new SMT circuit board, a glossy exterior coating on the smaller casing, and a massive weight reduction. Upgraded Features: the new SMT circuit boards offer greater reliability, better efficiency, and fewer stray RF emissions over the older PCB and through-hole boards. From there the case volume shrunk, and the overall weight was reduced; this makes for one efficient, compact, and lightweight 3,000 watt inverter.</p>	

Brand Name: Wagan Tech Model Number: 3744		Model Name: Proline 5000W Inverter + Remote 12V Retail: \$819.95	
		<p>Starting from the ground up, the new 5,000 watt inverter received a new SMT circuit board, a glossy exterior coating on the smaller casing, and a massive weight reduction. The new Wagan Tech Pro Line Inverters; proving that the best can get better! Upgraded features: the new SMT circuit boards offer greater reliability, better efficiency, and fewer stray RF emissions over the older PCB and through-hole boards. This makes for one efficient, reliable, beautiful, and lightweight 5,000 watt inverter in a more compact size!</p>	
Brand Name: Wagan Tech Model Number: 3746		Model Name: Proline 8000W Inverter + Remote Retail: \$1,380.95	
		<p>Starting from the ground up, the new 8,000 watt inverter received a new SMT circuit board, a glossy exterior coating on the smaller casing, and a massive weight reduction. The new Wagan Tech Pro Line Inverters; proving that the best can get better! Upgraded FeaturesThe new SMT circuit boards offer greater reliability, better efficiency, and fewer stray RF emissions over the older PCB and through-hole boards. This makes for one efficient, reliable, beautiful, and lightweight 8,000 watt inverter in a more compact size!</p>	
Brand Name: Wagan Tech Model Number: 3748		Model Name: Proline 10,000W Inverter + Remote Retail: \$1,729.95	
		<p>Starting from the ground up, the new 10,000 watt inverter received a new SMT circuit board, a glossy exterior coating on the smaller casing, and a massive weight reduction. The new Wagan Tech Pro Line Inverters; proving that the best can get better! Upgraded FeaturesThe new SMT circuit boards offer greater reliability, better efficiency, and fewer stray RF emissions over the older PCB and through-hole boards. This makes for one efficient, reliable, beautiful, and lightweight 10,000 watt inverter in a more compact size!</p>	
Brand Name: Wagan Tech Model Number: 3804		Model Name: Pure Line 1000W Power Inverter (ETL) Retail: \$384.95	
		<p>Born from an idea to make compact and efficient Pure Sine Wave Inverters that not only look good, but perform great; the new Pure Line Inverter will change the way that you look at PSW Power Inverters! The Pure Line offers the clean pure sine wave from the Elite Series while retaining the good looks and compact size of the SlimLine Series! This is the pinnacle of inverter technology; the best of the best combined into a single unit!</p>	

Brand Name: Wagan Tech Model Number: 3808		Model Name: Pure Line 2000W Power Inverter (ETL) Retail: \$659.95	
		Born from an idea to make compact and efficient Pure Sine Wave Inverters that not only look good, but perform great; the new Pure Line Inverter will change the way that you look at PSW Power Inverters! The Pure Line offers the clean pure sine wave from the Elite Series while retaining the good looks and compact size of the SlimLine Series! This is the pinnacle of inverter technology; the best of the best combined into a single unit!	
Brand Name: Wagan Tech Model Number: 3810		Model Name: Pure Line 3000W Power Inverter (ETL) Retail: \$879.95	
		Born from an idea to make compact and efficient Pure Sine Wave Inverters that not only look good, but perform great; the new Pure Line Inverter will change the way that you look at PSW Power Inverters! The Pure Line offers the clean pure sine wave from the Elite Series while retaining the good looks and compact size of the SlimLine Series! This is the pinnacle of inverter technology; the best of the best combined into a single unit!	
Brand Name: Wagan Tech Model Number: 4304		Model Name: Brite-Nite Pop-Up USB Lantern Retail: \$39.95	
		Our Brite-Nite Pop-Up USB Lantern will certainly light up your life. Using a rechargeable internal lithium battery, the Brite-Nite Pop-Up USB Lantern is ideal for camping, hiking, emergencies, power outages, and other night-time outdoor activities. Converting from a flashlight to lantern is easy; just a quick pull of the front cap upwards is all that it takes! With the powerful magnets, hanging hooks, 3 lighting modes, battery power bank, and multi-function design, the Brite-Nite Pop-Up USB Lantern will make your next camping trip conveniently bright.	
Brand Name: Wagan Tech Model Number: 4308		Model Name: Compact Lantern Retail: \$24.95	
		The Compact Lantern, a simple sounding name for a feature-packed lantern! Two dimmable LED colors, Rechargeable power bank, Solar powered, Tripod mountable, folding carabiner-type hanging clip, and it's compact size make this the ultimate camping lantern. Bright, bi-colored LEDs. The Compact Lantern features a set of dimmable white LEDs and a set of dimmable Amber LEDs. The white color (temperature) is great for broad illumination while the amber color is for more muted, intimate settings and may help decrease the amount of insects around the light.	

Brand Name: Wagan Tech Model Number: 4322		Model Name: Brite-Nite WR600 LED Spotlight Retail: \$49.95	
		<p>Our Brite-Nite WR600 LED Spotlight is the epitome of lighting perfection. Taking the decades of lighting knowledge we've acquired, we took our very best and put it into this spotlight; a waterproof IP68 rating, rechargeable li-ion battery, a blinding 600 lumen LED emitter, and an adjustable stand, this is a durable and bright LED spotlight that fits all of your lighting needs. Illuminate the night with the Brite-Nite WR600 LED Spotlight.</p>	
Brand Name: Wagan Tech Model Number: 4345		Model Name: Wayfinder XL Retail: \$49.95	
		<p>The National Highway Traffic Safety Administration (NHTSA) and Department Of Transportation (DOT) recommends every vehicle carry a flashlight and road flares. The Wayfinder XL satisfies those recommendations by providing a 1000 Lumen Rechargeable LED worklight on the front and a safety orange LED light on the reverse side. The Wayfinder XL features a strap-type handle. A folding stand allows the user to position the light at any desired angle, while the embedded magnets ensure the light remains stationary when placed on a metal surface. Li-ion battery.</p>	
Brand Name: Wagan Tech Model Number: 6206		Model Name: 6 Quart Personal Fridge/Warmer Retail: \$99.95	
		<p>Wagan Tech's 6 Quart personal fridge/warmer is a great way to keep food and drinks cool while on the road. The compact size of this cooler allows storage for your road trip necessities while only taking up a small footprint in your vehicle. It can warm or cool. When taking leftovers home from the restaurant, switch the cooler/warmer on to "warming mode" and it will begin to heat up instantly. This is a great device to take with you: to the park, tailgating, BBQ, sporting event, or wherever you need to keep items cool or warm.</p>	
Brand Name: Wagan Tech Model Number: 6214		Model Name: 14 Liter Personal Fridge/Warmer Retail: \$149.95	
		<p>Portable cooler and warmer with 2 cup holders! No ice needed to keep your food and drinks cold. Holds up to eighteen 12-oz cans! 12 volt DC-powered. Wagan Tech's 14 Liter personal fridge/warmer is a great way to keep food and drinks cool while on the road. The diminutive size of this cooler allows storage for your road trip necessities while only taking up a small footprint in your vehicle. It can warm or cool items. This is a great device to take with you: to the park, tailgating, BBQ, sporting event, or wherever you need to keep items cool or warm.</p>	

Brand Name: Wagan Tech Model Number: 6224		Model Name: 24 Liter Fridge/Warmer-Blue Retail: \$169.95	
		<p>Portable cooler and warmer 2-in-1! No ice needed to keep your food and drinks cool. Extra-tall for holding wine and 2-Liter soda bottles. Wagan's 24 Liter personal fridge/warmer is a great way to keep food and drinks cool while on the road. It allows you to take full size drink containers and keep them chilled while on the road. This cooler will fit wine bottles and 2 liter soda bottles with ease. No longer will you show up to the party with warm soda, the 24 Liter personal fridge will ensure your drinks will arrive at just the right temperature.</p>	
Brand Name: Wagan Tech Model Number: 7302		Model Name: DigiSet Tire Inflator Retail: \$59.95	
		<p>Wagan Tech's DigiSet Tire Inflator is your handy tool for emergencies or outdoor adventures that features: set pressure auto-off, backlit digital display, multiple pressure readings, LED work light, generous length power cord, adaptor tips, and a built-in braided air hose. Power & air With a 10-foot DC cord built in to the case and an air hose that is 24 inches long, you'll always have the DigiSet Tire Inflator by your side when you need it.</p>	
Brand Name: Wagan Tech Model Number: 7402		Model Name: 1.5A Intelligent Battery Charger Retail: \$49.95	
		<p>1.5A Intelligent Battery Charger - features internal circuitry which detects the battery type, current battery charge, overall battery condition, and automatically responds to optimize charging for that specific battery. It is perfect for maintaining your battery especially when it will not be used for an extended time. Our intelligent battery charger helps to maintain your battery and keep it in optimal operating condition which saves you money in the long run. Batteries need to be maintained at 100% capacity for maximum battery life!</p>	
Brand Name: Wagan Tech Model Number: 7507		Model Name: iOnBoost V10 TORQUE Retail: \$144.95	
		<p>TORQUE is defined as "the twisting force applied to an object to cause rotation" – our iOnBoost V10 TORQUE provides you with 1000 peak amps of power to get your engine started! Rated for use on all engines up to V10 gas engines and 6.7L Diesels alike! The 4S Lithium ion battery is able to charge your electronics with QC 3.0 and 2A USB Power Ports. With the included 12V DC Socket, you can charge and power other devices such as: Smartphone, Walkie-Talkie, Ham Radio, Fan, Lights, and more.</p>	

Brand Name: Wagan Tech Model Number: 7556		Model Name: JumpBoost V10 Air Retail: \$224.95	
		JumpBoost V10 Air - Ideally suited for everyday road warriors to weekend adventurers, the JumpBoost V10 Air is the perfect roadside companion for 4 cylinder to 10 cylinder gas engines. Taking up a minimal amount of space and handy to have while camping, tailgating, or for emergencies, the JumpBoost V10 Air is well suited to power your next adventure!	
Brand Name: Wagan Tech Model Number: 7561		Model Name: Power Dome PLEX Retail: \$309.95	
		Extreme power! 1000 peak amps jump starter, 400-watt AC inverter, along with the standard air compressor, DC and USB power, radio, and more! Power Dome PLEX - The Power Dome PLEX is the second generation of the venerable crowd-favorite portable power supply. Featuring 120V AC, 12V DC, and USB power ports, the PLEX will keep all of your electronics charged. The PLEX is an amazing all-in-one portable unit that provides versatility and power exactly when you need it, whether it's on the road, at a campsite, at home, etc.	
Brand Name: Wagan Tech Model Number: 8567		Model Name: 1000Lm In and Out Solar Wall Light Retail: \$59.95	
		Featuring a detachable LED light head, wireless, solar powered with unlimited mounting options, the In & Out Detachable Solar Wall Light is your ideal outdoor and indoor lighting solution. The built-in motion sensor allows for hands-free operation while the detachable light head assures your mounting options are not limited by the sun's location. With an IP65 weatherproof rating and a user-replaceable battery, the In & Out Detachable Solar Wall Light will give you trouble free lighting for years to come.	
Brand Name: Wagan Tech Model Number: 8569		Model Name: 2000 Lumen Solar Wall Light-White Retail: \$49.95	
		2000 Lumen Solar Wall Light - Defeat the darkness with our compact and powerful cordless lighting solution. Featuring an all-in-one waterproof design, our 2000 Lumen Solar Wall Light provides light where you need it: on a sidewalk, driveway, walking path, side yard, deck, or any place that's lacking sufficient lighting!	

Brand Name: Wagan Tech Model Number: 8590	Model Name: Solar + LED Floodlight 2000 w/remote Retail: \$139.90
	<p>Our 2000 Solar Street Lightl has all of the great features of the previous unit: 2000 lumens, IP65 rated waterproof, solar powered, remote controlled, but now includes our A.L.T. or "Adaptive Lighting Technology". With our previous 2000 lumen Solar + LED Floodlight, you could get a full 3+ nights of lighting on a single charge. Granted that in itself is an impressive run-time, but we've upped our game and created ALT to extend the run-time of our new light up to 10 nights!</p>
Brand Name: Wagan Tech Model Number: PWT16935	Model Name: Everything for Your Car Package Retail: \$504.99
	<p>Package includes an iOn Boost V10 Torque Jump Starter that provides 1000 peak amps of power and charges vehicles and electronics; Wayfinder rechargeable work light with an adjustable stand; 14L Fridge/Warmer that holds eighteen 12-oz cans; DigiSet Tire Inflator that features set pressure auto-off, backlit digital display, multiple pressure readings, LED work light, generous length power cord, adaptor tips, and a built-in braided air hose; and an everyday Diagnostic Tool Bluetooth OBDII Tester that allows you to diagnose and reset check engine lights.</p>
