PLUGGAGE

- Made from 100% Polycarbonate, a highly impact-resistant plastic that is strong and lightweight, with a scratch-resistant matte finish
- Dedicated application, compatible with iOS 9.0 (or newer) and Android 4.3 (or newer), used to record weights and TSA openings, unlocks luggage, and indicates battery charge level
- Ease of use with or without a smart phone (except for the alert function)
- Integrated digital scale, to weigh luggage, check if it meets airline regulations, and records weight. Use of AAA alkaline batteries in accordance with air regulation.
- USB port to stay connected on the go, with a dedicated power bank sleeve to easily store your powerbank inside the luggage (Powerbank not provided)
- Innovative opening, with three options for opening - fingerprint, through the app, or 3-digit combination. Use of AAA alkaline batteries in accordance with air regulation.
- Alert Mode notifies you when your luggage is 10-65 feet away from you and when luggage is arriving on the carousel at luggage claim.
- International Tracking, powered by LugLoc, through the dedicated app. Uses GSM technology. First month of use is free; following rates apply afterwards: \$4.99 for a month, \$19.99 for a 6 month period, \$29.99 for a year.
- Split book opening
- Deluxe interior with soft-touch lining, two shoe pockets, large mesh pocket, two removable laundry or shoe bags, and zippered dividers for packing flexibility
- Dual-position TROLLEY system for 2 or 4 wheel use
- Luggage covered by 10-year limited warranty, excluding electronic and electrical components. Electronic and electrical components are covered by warranty for a period of two (2) years
