Brand Name: Buck Knives Model Number: 0659GRS		Model Name: Folding Pursuit, Large Retail: \$75.00	
	A multi-purpose alternative to traditional hunting knives, the Pursuit Series fills the need for a mid-range hunting knife designed for the beginner to the experienced hunter. Added detail was put into the design creating a comfortable, non-slip profile and strong lockback, dependable 420HC Steel, drop-point blades. Glass filled nylon/Versaflex handle and a polyester sheath. Blade length is 3.625" and weighs 3.6 oz. Knife made in USA. Sheath is imported. Forever warranty.		
Brand Name: Buck Knives Model Number: 0659ORS		Model Name: Folding Pursuit Pro - Large Retail: \$125.00	
	This knife combines a highly visible, sure grip handle with Buck's high end S35VN steel that provides the same edge retention as S30V steel, but its properties allow it to resharpen easier, making it a great choice for skinning multiple animals with the option of field sharpening when necessary. Easily opens with 1-hand using the thumbstuds. Blade is secured with a lockback mechanism and the comfortable, contoured handle reduces hand fatigue Includes a heavy-duty nylon sheath with a belt look. Measures 5" when closed. Made in the USA. Forever warranty.		
Brand Name: Buck Knives Model Number: 0660GRG		Model Name: Folding Pursuit - Large - Guthook Retail: \$80.00	
	This knife combines a highly visible, sure grip handle with Buck's high end S35VN steel that provides the same edge retention as S30V steel, but its properties allow it to resharpen easier, making it a great choice for skinning multiple animals with the option of field sharpening when necessary. Easily opens with 1-hand using the thumbstuds. Blade is secured with a lockback mechanism and the comfortable, contoured handle reduces hand fatigue Includes a heavy-duty nylon sheath with a belt look. Measures 5" when closed. Made in the USA. Forever warranty.		
Brand Name: Buck Knives Model Number: 0660ORG		Model Name: Folding Pursuit Pro - Large - Guthook Retail: \$130.00	
	Combines a highly visible, sure grip handle with Buck's high end S35VN steel that provides the same edge retention as S30V steel, but its properties allow it to resharpen easier, making it a great choice for skinning multiple animals with the option of field sharpening when necessary. Easily opens with 1-hand using the thumbstuds. Blade is secured with a lockback mechanism and has a comfortable, contoured handle. Includes a heavy-duty nylon sheath with a belt hook. Measures 5" when closed and has a guthook. Made in the USA. Forever warranty.
