Brand Name: Champion Power Equipment Model Name: 50-Amp ParaLINK Parallel Kit Model Number: 100319 Retail: \$104.99	
	<p>Champion's Parallel Kit increases your power by connecting two 2500-watt or higher inverter generators. Quickly and easily installed without tools, this kit includes circuit breakers plus 120V 30A locking and 120V 50A RV outlets with enough power to start and run two 15,000 BTU RV air conditioners. It is RV ready and includes a 1 year limited warranty.</p>
Brand Name: Champion Power Equipment Model Name: 3000 lb. Winch Kit Model Number: 13005 Retail: \$119.99	
	<p>ATV/UTV Winch Kit includes everything you need to start winching, It features 3000-lb. rated line pull, a gear reduction ratio of 153:1, plus a mounting channel and remote control. With a tough 1.3-horsepower (12-volt) DC motor, this winch provides efficient pulling power whenever and wherever you need it. The roller fairlead creates a safe and smooth pull with the dependable 46-foot galvanized super-duty aircraft cable which is able to withstand abrasive terrain without fraying.</p>
Brand Name: Champion Power Equipment Model Name: 12,000 Watt Portable Gasoline Generator w/Electric Start Model Number: 201160 Retail: \$2,499.99	
	<p>This powerful 12,000-watt generator provides up to 9 hours of run time on a full tank of gasoline. The massive 717cc Milwaukee Series V-Twin Engine with battery-included electric start features Intelligauge and has all the power you need for home backup during an outage or your next project. It features covered outlets; lift hook; CO Shield carbon monoxide shutoff system; low oil shutoff sensor; and comes with engine oil, oil funnel and wheel kit.</p>
Brand Name: Champion Power Equipment Model Name: 12,000 Watt Tri-Guel Generator w/Electric Start Model Number: 201161 Retail: \$2,899.99	
	<p>This powerful 12,000-watt generator features CO Shield® carbon monoxide auto shutoff system. It uses Tri Fuel technology, allowing it to run on natural gas, gasoline, or propane. The massive 717cc Milwaukee Series V-Twin Engine with battery-included electric start features Intelligauge and has all the power you need for home backup during an outage or your next project. It has a lift hook and all of the outlets have covers for protection. Includes engine oil, oil funnel, propane (LPG) hose, natural gas hose with NPT adapter and wheel kit.</p>

Brand Name: Champion Power Equipment Model Name: 6500W Electric Start Tri Fuel Generator with CO Shield Model Number: 201169 Retail: \$999.99	
	<p>The 6500-watt natural gas ready generator features CO Shield® carbon monoxide auto shutoff system and electric start. Also operating on Tri-Fuel technology, allowing it to run on natural gas, gasoline, or propane. This unit meets ANSI/PGMA G300-2018 requirements and includes a 25-foot natural gas hose kit. It's powerful: gasoline: 8125 starting watts and 6500 running watts, propane: 7500 starting watts and 6000 running watts, natural gas: 6875 starting watts and 5500 running watts. Includes: engine oil, oil funnel, propane (LPG) hose, wheel kit & battery</p>
Brand Name: Champion Power Equipment Model Name: 9000 Watt Tri-Fuel Open Frame Inverter w/Electric Start Model Number: 201176 Retail: \$1,399.99	
	<p>This generator is 50% quieter and 20% lighter than a traditional 7250-watt generator. Our advanced power solution includes Quiet Technology, Extended Run Time, Economy Mode and Clean Power. It also uses Tri Fuel technology, allowing it to run on natural gas, gasoline, or propane. Features battery-included electric start; low oil shutoff sensor; CO Shield Technology detects unsafe levels of CO gas and automatically shuts off the engine. Includes engine oil, oil funnel, propane (LPG) hose, natural gas hose with NPT adapter, USB adapter and wheel kit.</p>
Brand Name: Champion Power Equipment Model Name: 2500 Watt Dual Fuel Inverter w/CO Shield Model Number: 201183 Retail: \$699.99	
	<p>2500-watt inverter is one of the lightest in the industry (only 39 lbs) and features CO Shield® carbon monoxide auto shutoff system. Dual Fuel feature allows the 79cc engine to run on gasoline or propane. Enjoy the quiet 53 dBA for up to 11.5 hours on gasoline or up to 34 hours with a 20-lb propane tank and increase your power with the optional Parallel Kit. Features an EZ Start Dial and Cold Start Technology. Included are a covered 120V 20A household duplex outlet (5-20R) plus a 12V regulated automotive-style outlet, and a handy dual port USB adapter.</p>
Brand Name: Champion Power Equipment Model Name: 4000 Watt Tri-Fuel Generator w/Electric Start Model Number: 201223 Retail: \$699.99	
	<p>This natural gas ready generator features CO Shield® carbon monoxide auto shutoff system. It also uses Tri Fuel technology, allowing it to run on natural gas, gasoline, or propane. The electric start includes a battery, plus Cold Start Technology ensures quick cold-weather starts. Features low oil shutoff sensor; Intelligauge; and covered outlets. Includes engine oil, natural gas hose with NPT adapter, propane (LPG) hose, oil funnel and wheel kit.</p>

Brand Name: Champion Power Equipment Model Name: 6500 Watt Inverter Model Number: 201238 Retail: \$1,099.99	
	<p>This inverter generator features CO Shield® carbon monoxide auto shutoff system. It includes Quiet Technology; Extended Run Time; Intelligauge with Power Meter; Economy Mode; Cold Start Technology; easy to read fuel gauge; and Clean Power for sensitive electronics. The Quick Touch Panel offer fast access to all controls. All outlets are covered. The EZ start dial makes getting started easy. The no tool access panel and oil drain tube allow for easy maintenance. Includes engine oil, oil funnel and spark plug wrench.</p>
Brand Name: Champion Power Equipment Model Name: 7500 Watt Electric Start Dual Fuel Generator with CO Shield Model Number: 201281 Retail: \$999.99	
	<p>Ultra-powerful 7500-watt generator with electric start features CO Shield® carbon monoxide auto shutoff system. Equipped with Dual Fuel, allowing the 439cc engine to run on either gasoline or propane. Featuring Intelligauge, Volt Guard™ and Cold Start Technology, it provides up to 10 hours of run time on gasoline or 5.5 hours on propane. Includes engine oil, oil funnel, propane (LPG) hose, wheel kit and battery.</p>
Brand Name: Champion Power Equipment Model Name: 1200 Watt Portable Generator with CO Shield Model Number: 201285 Retail: \$299.99	
	<p>Convenient and versatile power is yours with this 1200-watt portable generator. Rely on the 79cc engine and enjoy up to 10 hours of run time at 50% load with a dBA of 65. Generator features CO Shield® carbon monoxide auto shutoff system, making it your perfect portable power solution. Designed for safety with convenient push-to-reset circuit breakers, a low oil shut-off switch plus an included oil funnel for easy changes. Cold Start Technology ensures a quick start in cold weather. Easy to monitor voltage, frequency and operating hours with Intelligauge.</p>
Brand Name: Champion Power Equipment Model Name: 3500 Watt Dual Fuel Generator with CO Shield Model Number: 201296 Retail: \$499.99	
	<p>Portable generator features reliable recoil start, plus Cold Start Technology ensures a quick start in cold weather. Easily monitor output and track maintenance intervals with Intelligauge, which allows you to keep track of voltage, frequency and run-time hours. With the low oil shut-off sensor, this unit includes 0.6-quarts of 10W-30 oil. Dual-Fuel generator operates gasoline or propane, and easily switch fuels with patented fuel select dial that allows for safe switching between fuel sources. It has CO-Shield and cannot be sold/shipped to California.</p>

Brand Name: Champion Power Equipment Model Number: 201324	Model Name: 4500 Watt Wireless Remote Start Inverter Generator with Quiet Technology and CO Shield Retail: \$899.99
	<p>This 9200-watt natural gas ready generator features CO Shield® carbon monoxide auto shutoff system. It also uses Tri Fuel technology, allowing it to run on natural gas, gasoline, or propane. This unit meets ANSI/PGMA G300-2023 requirements and includes a 25-foot natural gas hose kit. Power up the 459cc engine with the rocker switch, battery included. Cold Start Technology ensures quick cold-weather starts. Intelligauge allows you to keep track of voltage, frequency, session run time and total run time to monitor output and track maintenance intervals.</p>
Brand Name: Champion Power Equipment Model Number: 201412	Model Name: 9200 Watt Electric Start Tri Fuel Generator with CO Shield Retail: \$1,199.99
	<p>This 9200-watt natural gas ready generator features CO Shield® carbon monoxide auto shutoff system. It also uses Tri Fuel technology, allowing it to run on natural gas, gasoline, or propane. This unit meets ANSI/PGMA G300-2023 requirements and includes a 25-foot natural gas hose kit. The electric start includes a battery, plus Cold Start Technology ensures quick cold-weather starts. With a 1.2-quart oil capacity, this unit has a low oil shut-off sensor and includes engine oil. Easily monitor power output and track maintenance intervals with Intelligauge.</p>
Brand Name: Champion Power Equipment Model Number: 201417	Model Name: 11000 Watt Dual Fuel Inverter w/Electric Start Retail: \$1,899.99
	<p>This 11,000-watt inverter's advanced technology with electric start features CO Shield® carbon monoxide auto shutoff system. Equipped with Dual Fuel, the 459cc Champion engine with electric start and included battery provides up to 15 hours of run time on gasoline or 8 hours on propane. Features a low oil shutoff switch; foldaway easy-grip handle; Clean Power for sensitive electronics; and Intelligauge with Power Meter. Includes wheel kit, engine oil, oil funnel, Allen wrench/Phillips screwdriver, propane (LPG) hose and spark plug wrench.</p>
Brand Name: Champion Power Equipment Model Number: 201505	Model Name: 5500 Watt Dual Fuel Portable Generator with CO Shield Retail: \$849.99
	<p>Powerful 5500-watt generator features CO Shield® carbon monoxide auto shutoff system. Equipped with Dual Fuel, allowing the 389cc engine to run on either gasoline or propane, it provides up to 11 hours of run time on gasoline or 6.5 hours on propane. Volt Guard prevents overloads and keeps equipment safe from voltage spikes, plus a voltmeter allows you to monitor power output. Intelligauge keeps track of voltage, frequency and run-time hours to easily monitor output and track maintenance intervals.</p>

Brand Name: Champion Power Equipment		Model Name: Dual Generator Package - 2500 Watt Dual Fuel Inverter w/ParaLINK	
Model Number: PCP16620		Retail: \$1,867.99	
		<p>Includes two 2500 Watt Dual Fuel Inverters and a ParaLink Parallel Kit. Power up with the reliable recoil start, plus Cold Start Technology ensures a quick start in cold weather. Included are two covered 120V 20A household outlets (5-20R) plus two 2.1A USB ports. Just add oil (included 10W-30), and the generator operates on gasoline or propane, and easily switch fuels with the fuel selector dial. Parallel kit quickly and easily installed without tools, and includes circuit breakers plus 120V 30A locking and 120V 50A RV outlets.</p>	
Brand Name: Champion Power Equipment		Model Name: Dual Generator Package - 4500 Watt Inverter w/Remote Start	
Model Number: PCP16770		Retail: \$2,520.99	
		<p>Instantly increase power by connecting the two inverter generators. Each 4500-watt inverter generator with remote key fob allows you to start and stop your generator from up to 80 feet. The 79cc Champion engines with electric start each include a battery. Your power is increased with the Parallel Kit which quickly and easily is installed without tools, this kit includes circuit breakers plus 120V 20A household outlets with clean electricity. Includes 2 covered 120V 20A household outlets with clean electricity and two USB ports,</p>
