Brand Name: Huffy Bicycles Model Number: 17138		Model Name: Special Ops Battery Ride On Retail: \$249.99	
		Special Ops Ride On creates fun for kids with cool features like LED headlights, roaring engine, startup sounds & horn, two working doors, interactive dashboard that lights up & MP3 compatible audio jack. Rugged wide-traction tires & independent 4-wheel suspension gives the feel of real off-roading while two 6v motors extend adventures beyond the sidewalk, don't forget to fasten up with the five-point seatbelt. Ages 3-12, weighing under 125 lbs.	
Brand Name: Huffy Bicycles Model Number: 17298		Model Name: ATV Battery Ride On Retail: \$229.99	
		Perfect for ages 3-7 and rider weighing less than 65 lbs. The fun begins by pushing the dashboard button starting the engine. ATV goes 2.5 and 5 mph in forward and reverse. Features working LED headlights; roaring engine sounds; an auxiliary port for an MP3 player; and horn sounds. Front and rear suspension provides an off-road feel and the two 6V drive motors let adventures extend beyond the sidewalk. The charging port is located on the dashboard for easy access and a wall charger is included. Rear lift handle makes it easy to move when needs a charge.	
Brand Name: Huffy Bicycles Model Number: 19120		Model Name: Bubble Tractor Quad Retail: \$99.99	
		The Broadlawn Bubble Tractor Quad uses a 12 Volt battery and is recommended for ages 1-1/2 to 3 years. It goes 2 or 4 mph. The weight limit is 50 lbs. It features dual motor drive to power through grass; rear bubble maker with on/off switch (bubble solution included); foot pedal accelerator; and battery and charger included.	
Brand Name: Huffy Bicycles Model Number: 19179		Model Name: 3-in-1 Boltz Quad - 6V Retail: \$119.99	
		The Boltz 6V Battery Ride On uses a 6 volt battery and it recommended for children 1-1/2 to 5 years old. Its maximum speed is 1.5 mph. It has a 50 lb weight maximum. Three different rides to build: battery powered trike; battery powered quad and balance bike. Full color, easy to follow instruction manual. Rebuild as many times as you like. Foot pedal accelerator. Battery and charger included.
