Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 10" Compound Miter Saw Model Number: C10FCGSM      Retail: \$203.99	
	Lightest 10" compound miter saw in its class weighs 24.2lbs. Feat. 15 Amp motor; 0-52 degree miter angle range to right & left; 0-45 degree bevel range to left; Large table for better material support w/ vice clamping system; Thumb activated positive stops; Horizontal handle; Carbon brush access allows user to replace brush; Dust collector attachment minimizes airborne particles. Includes Saw blade, Dust bag, Vise Assembly & 5mm Hex Bar Wrench.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 10" Compound Miter Saw with Laser Marker Model Number: C10FCH2SM      Retail: \$294.99	
	Feat. Hitachi's Laser Marker for increased cutting accuracy; 15 Amp motor; 0-52 Degree miter angle range to right & left; 0-45 Degree bevel angle range to left; Horizontal handle; Large pivoting flip fence raises 4"; Large table; Thumb actuated positive stops; Carbon brush access; Dust collector minimizes airborne particles; Weighs 26.5lbs. Includes Saw Blade; Pivoting Flip Fence; Dust Bag; Vise Assembly; 10mm Box Wrench & 4mm Hex Bar Wrench.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 12" Dual Compound Miter Saw with Xact Cut LED™ Shadow Line System Model Number: C12FDHBM      Retail: \$442.99	
	Features the Xact Cut LE Shadow Line System that accurately indicates where the blade will cut on the material and a 7-3/32" cutting depth. It has a wide range of miter and bevel cutting options. It has 7" tall sliding fences to support vertically and nested cut molding. The extra large base provides great support. It also has up-front miter and locks to easily adjust cut angles to best suit the application and a ergonomic D-handle design for less vibration. Has a miter range of 52 degrees left and right and a bevel range of 48 degrees left & right.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 36V MultiVolt "The Stud" 7-1/4" Circular Saw w/Torque Boost Technology - Bare Tool Model Number: C3607DBQ4M      Retail: \$270.99	
	Circular saw features Torque Boost Technology which automatically switches the saw from high speed to high torque for tougher cuts or thicker wood. It has an industry leading speed of 6,000 RPM and the new visible cutting depth indicator ensures a precise cut every time. It has a 2-7/16" cutting depth with a 55 degree bevel capacity for deep and accurate cuts. Accepts any MultiVolt battery and can also accept the unique AC Adapter to plug in for all day runtime. Lifetime tool warranty.

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 36V MV Brushless 10" Table Saw with Soft Start - Bare Tool Model Number: C3610DRJQ4M      Retail: \$990.99	
	<p>Table saw can be powered by a 36V MultiVolt battery or plug into an outlet with the AC adapter. It weighs just 67 lbs, offering enough weight to make more accurate cuts without losing the benefits of being conveniently portable. The powerful brushless motor will not only give the user access to greater cutting capacity, but it will also power through sheets of hardwoods and thicker woods. Features 35" rip capacity; 0-45 degree bevel 0 to 45 degrees for cuts ranging from 3-1/8" to 2-1/4"; 10" 40 tooth blade; and brushless motor technology.</p>
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 7-1/4" 15 Amp Lightweight Circular Saw Model Number: C7SB3M      Retail: \$146.99	
	<p>15 Amp Circular Saw provides no-load 6,000 RPM. It is lightweight at only 9.5 lbs and has a cut capacity at 45 degrees 1-7/8" and 90 degrees 2-7/16". It features an easy access bevel angle and cutting depth adjustment; non-slip slim grip; heavy duty aluminum base with scales on front and side for accurate cuts; cord holder; dust blower; on-tool hex bar wrench storage and includes a soft carry bag.</p>
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 36V MV Brushless Deep Cut Band Saw Model Number: CB3612DAM      Retail: \$805.99	
	<p>Brushless motor produces a best-in-class cutting speed that is 16% faster than the closest competition at 640 surface ft per minute. Combined with the included 18 tooth per inch bi-metal band saw blade, cuts through stainless steel pipe more than 4 times faster than the competition and cuts more than twice the number of stainless steel pipes per blade vs. the competition. Easy-to-clean and also features an integrated hook for easy storage, as well as an LED light for clear visibility. Compatible with all Metabo HPT 18V &amp; 36V Lithium Ion slide batteries.</p>
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 18V MV Cordless Jig Saw - Bare Tool Model Number: CJ18DAQ4M      Retail: \$160.99	
	<p>This jigsaw is capable of generating a no-load speed of 2,500 SPM for a variety of wood and metal cutting applications. It features and LED light; dust blower; 3 orbital functions plus a standard straight-cut mode allow for faster cuts; 45 degree left and right adjustable base; tool-less blade change; quick brake function; battery charge indicator; variable speed trigger for ultimate control and ergonomic D-shaped handle with elastomer grip. Weighs 4.2 lbs. Lithium Ion Lifetime Tool Warranty.</p>

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 36V MV Cordless Jig Saw - Bare Tool Model Number: CJ36DAQ4M      Retail: \$302.99	
	4-stage orbital action so the blade moves slightly forward and into the workpiece on the upswing, then slightly backward on the downstroke as the blade resets for the next cutting stroke. Auto Mode – Vibration is reduced when in a no-load situation making blade alignment when the user resumes cutting. Variable speed control dial and variable switches enable the stroke speed to change easily. On-lock switch improves operability. Weighs 5.5 lbs. Tool-less blade change. Lifetime warranty. Can accept a 36V battery or plug into an outlet with the AC adapter.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 36V MV Brushless Variable Speed, Orbital Reciprocating Saw Model Number: CR36DAQ4M      Retail: \$321.99	
	36V Brushless Variable Speed, Orbital Reciprocating features professional 36V power with a 4-stage speed selector ranging from 1,700 SPM to 3,000. Faster cutting through wood for demolition or other applications. User Vibration Protection decreases vibration by incorporating a dual counter. Compatible with all Metabo HPT 18V & 36V Lithium Ion slide batteries. Limited lifetime warranty.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 3.6V Lithium-Ion Cordless Screwdriver Model Number: DB3DL2M      Retail: \$102.99	
	Powered by a 1.5Ah Li-Ion battery for fade free power; Dual position handle; Spindle lock; 1/4" hex chuck; Built-in LED light; Compact and lightweight; Overload and over-discharge circuit protection; 21 clutch settings + 1 drill setting; Easy to use forward/reverse switches. Includes 2 1.5Ah 3.6V Li-Ion Batteries, Quick Charger, Phillips Bit & Case. Lifetime Limited Warranty.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 18V Sub-Compact Brushless Driver Drill Kit Model Number: DS18DDXSM      Retail: \$195.99	
	Built for maximum power in tight spaces. This brushless driver drill weighs only 2.7 lbs (with provided 2.0Ah battery), and is only 6.2 inches in length, which allows for powerful fastening where space is limited. The keyless 1/2" chuck provides fast and easy bit replacement and ensures there is no bit slippage while in use. Comes with a bright LED light, ergonomic grip, center-balance design, and a 20+1 position clutch to elevate the work experience to the next level. Compatible with all Metabo HPT 18V & 36V Lithium Ion slide batteries.

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 1 Gallon Quiet Compressor Model Number: EC28MM      Retail: \$242.99	
	<p>The compressor produces just 59dB's of sound: so quiet that a normal conversation can be easily heard while the compressor is cycling nearby. It features an industrial oil-free pump; 2.8 Amp direct drive induction; an overload protection circuit that cuts off power in the case of an overload situation; and an ergonomically shaped rubber carrying handle. Extremely compact and weighs just 25.2 lbs. The steel roll cage design protects the factory installed universal quick coupler and steel encased industrial gauges. Zero set up time. 1 year warranty.</p>
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 6 Gallon 200 PSI Pancake Compressor Model Number: EC914SM      Retail: \$294.99	
	<p>Compressor has an oil free motor that provides less maintenance. 200PSI provides more usable air allowing for more nails driven between cycles. 4.0CFM @ 90psi allows the user to operate up to two large body framing nailers for moderate work. Easy to read tank pressure and out flow pressure gauges. Large pressure adjustment knob for easier control of the air flow to the tool. All metal carry handle and soft rubber feet prevents marking on floor surfaces. Includes Two 1/4" quick connect fittings to run multiple hoses to multiple tools. Lightweight at 41 lbs.</p>
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 4 1/2" 6.2 Amp Slide Switch Grinder w/case & 5 Depressed Center Wheels Model Number: G12SR4M      Retail: \$72.99	
	<p>This lightweight (only 4 lbs) grinder has a 6.2 amp motor with 980W of max output power for tough grinding jobs and a spindle lock for quick and easy disc and accessory changes. It features a low profile gear case to get into tight areas, a left-mounted switch with quick off feature for added safety and a 1-year base warranty. Includes 4-1/2" angle grinder, 5 discs, side handle, case and wrench.</p>
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 18V MV Cordless Brushless 2-Piece Cordless Impact Driver & Drill Combo Kit Model Number: KC18DEXQBM      Retail: \$299.99	
	<p>This kit includes 1/4" Impact Driver, 1/2" Drill Driver, (2) 18V 2.0Ah Lithium-Ion batteries with charge indicators, battery charger, Phillips Bit #2, and a tool bag. The Impact Driver boasts 1,549 in-lbs of torque, up to 3,100 RPM and 3,400 impacts per minute. The driver drill delivers 620 in/lbs, highest max torque in its class, and up to 2,000 RPM making it easy to drive/remove screws and drill into various metals and woods. Both tool bodies are covered by Metabo-HPT's lifetime Lithium Ion tool body warranty.</p>

Brand Name: Metabo HPT (formerly Hitachi)		Model Name: 2-1/4 Peak HP Variable Speed Fixed/Plunge Base Router Kit	
Model Number: KM12VCM		Retail: \$299.99	
		<p>Kit includes 11 Amp motor (2-1/4 Peak Horsepower); 2-Stage motor release clamp; Electronic speed control maintains constant RPMs; Class leading noise level only 79.5dB for a quieter workshop; Fine depth adjustment (plunge base) for precise depth control; 1/2" &amp; 1/4" Collet Chucks; Template Guide Adapter; Centering Gauge; 16mm and 23mm Wrenches; 4mm Hex Bar Wrench; Sub Base Plate; Hex Socket HD Bolt M5x10 (10pcs) and carrying case.</p>	
Brand Name: Metabo HPT (formerly Hitachi)		Model Name: 36V MV Cordless Variable Speed Plunge Router - Bare Tool	
Model Number: M3612DAQ4M		Retail: \$356.99	
		<p>At only 6.9 lbs, this 2peak horsepower brushless router features ultimate control offering speeds of 11k to 25k revolutions per minute. This cordless plunge router is first in its class and routes up to 46 feet per minute. Its 36V motor has the strength to plunge into even the hardest woods. Features handle mounted lock on switch; quick breaking; depth adjustment; LED light; and lifetime warranty on the tool body. It is brushless and variable speed. Includes bag, 1/2" &amp; 1/4" collets, wrench, template guide set, straight guide set and dust collector set.</p>	
Brand Name: Metabo HPT (formerly Hitachi)		Model Name: 18V MV 18-Gauge 1-1/2" Narrow Crown Stapler	
Model Number: N1804DB		Retail: \$294.99	
		<p>This Narrow Crown Stapler allows you to work wherever needed without the need for a compressor or hoses and the mechanical spring provides power to drive up to 1-1/2" 18-gauge narrow crown staples. The 2.0Ah 18V battery with fuel gauge lets you drive up to 700 narrow crown staples per charge. Features low center height allows staples to be driven in tight spaces; fast response time between staples with no ramp up time; bright LED light; and easy adjustment with tool-less depth of drive and sequential actuation. 5 year limited warranty.</p>	
Brand Name: Metabo HPT (formerly Hitachi)		Model Name: 3-1/2" Palm Nailer	
Model Number: NH90ABM		Retail: \$70.99	
		<p>Features 360 degree swivel fitting for maximum maneuverability; Magnetic nose holds a fastener in place for safe &amp; accurate fastener placement; Front exhaust directs air away from user; Over-Molded rubber grip for added comfort, better hold &amp; reduced vibration; Lightweight at only 1.3lbs; Accepts a 2-1/2" – 3-1/2" bulk nail; Ideal for installing joist hangers &amp; metal connectors &amp; includes Safety Glasses. 5 Year Limited Warranty.</p>	

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 36V Cordless Duplex Nailer - 2.5AH Plastic Duplex Nails Model Number: NR3675DDM      Retail: \$611.99	
	Move quickly building concrete forms and scaffolding with the industry's first, battery only, cordless Duplex nailer solution. The unique Air Spring Drive System that produces a similar feel like using a pneumatic nailer, combined with the power of the MultiVolt battery, works all day long driving up to 16D Duplex nails. Get 900 3-1/2" Duplex nails per charge with the included 2.5Ah MultiVolt battery. For bigger jobs, power up with a 4.0Ah MultiVolt battery and drive up to 1300 Duplex nails on a single charge.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 18V MV 18G OPP Compact Brad Nailer Kit Model Number: NT1850DGM      Retail: \$265.99	
	This 18V MultiVolt 18-Gauge Brad Nailer allows you to work wherever you need without the need for a loud compressor or hoses. It is lightweight, only 5.5 lbs., and has the power to drive up to 2" 18-Ga brads. The 2.0Ah 18V battery with fuel gauge lets you drive up to 700 brads per charge. It features fast response time between brads with no ramp up time; a bright LED light; and easy adjustment tool-less depth of drive.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 2" 18-Gauge Brad Nailer Model Number: NT50AE2M      Retail: \$93.99	
	Features selective actuation to allow user to select 2 different modes; accepts 5/8"-2" 18-Gauge fasteners; Nail reload indicator; Tool-less easy to clear nose; Engineered with the safety behind the narrow nose piece & a short center height allows for nail placement in hard to reach areas; Depth of drive dial; No-mar tip on the nose; 360 Degree adjustable exhaust post. Incl. Safety Glasses, Air Fitting, No-Mar Tip, Hex Bar Wrenches & Carrying Case.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Grinder Package Model Number: PHT13549      Retail: \$108.99	
	Grinder Package feature 4-1/2" Angle Grinder, safety eye wear, metal cutting disc and sanding disc. Compact and lightweight (weighs just over 3 lbs). It features a low-profile gear housing; a rugged, glass reinforced poly amide resin body; small perimeter grip; externally accessible carbon brushes: trigger lock-on and spindle lock. Includes: wheel guard, side handle and wrench.

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Compact Nailer Package Model Number: PHT15939      Retail: \$126.99	
	Package incl. a 3-1/2" Palm Nailer & Professional Grade Polyurethane 1/4" x 50" Air Hose. Nailer Feat. 360 degree swivel fitting; Magnetic nose; Front exhaust; Over-Molded rubber grip; Lightweight; Accepts 2-1/2"-3-1/2" bulk nail. Hose can be used with pressures at or below 300-PSI and has a 3-to-1 burst ratio, and also includes bend restrictors and stays flexible even in cold weather.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 1 Gallon Quiet Compressor with Hose Model Number: PHT15942      Retail: \$303.99	
	Package includes: 1 Gallon Quiet Air Compressor that features an industrial oil-free pump; 2.8 Amp direct drive induction; an overload protection circuit that cuts off power in the case of an overload situation; and an ergonomically shaped rubber carrying handle. Professional Grade Polyurethane 1/4" x 50" Air Hose.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Nailer Package Model Number: PHT15945      Retail: \$182.99	
	Package includes 2" 18-Gauge Brad Nailer & Professional Grade Polyurethane 1/4" x 50" Air Hose. Brad Nailer feat. Selective Actuation to allow user to select 2 different modes; Accepts 5/8"-2" 18-Gauge fasteners; Depth of drive dial; No-mar tip on the nose; 360 Degree adjustable exhaust post. Hose can be used with pressures at or below 300-PSI & has a 3-to-1 burst ratio, & also includes bend restrictors and stays flexible even in cold weather.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Miter Saw Package Model Number: PHT15951      Retail: \$537.99	
	Package incl. Heavy-Duty Miter Saw Stand & 10" Compound Miter Saw. Stand feat Heavy-duty steel construction; Material support extensions; Tool-less height adjustment; Quick-Release mounting brackets; Adjustable material stops. Saw is lightest 10" compound miter saw in its class, feat 15 Amp motor; 0-52 degree miter angle range to right & left; 0-45 degree bevel range to left; Large table; Thumb activated positive stops; Carbon brush access.

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 36V Reciprocating Saw with Starter Kit Package Model Number: PHT16263      Retail: \$575.99	
	Package includes: 36V Brushless Variable Speed Orbital Reciprocating Saw features professional 36V power with a 4-stage speed selector ranging from 1,700 SPM to 3,000. Faster cutting through wood for demolition or other applications. User Vibration Protection decreases vibration by incorporating a dual counter. Compatible with all Metabo HPT 18V & 36V Lithium Ion slide batteries and a 36V Starter Kit (Battery and fast charger with USB port).
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 36V 10" Table Saw with Starter Kit Package Model Number: PHT16266      Retail: \$1,265.99	
	Table saw powered by a 36V MultiVolt battery or plug into an outlet with the AC adapter. It weighs just 67 lbs, offering enough weight to make more accurate cuts without losing the benefits of being conveniently portable. Powerful brushless motor will not only give the user access to greater cutting capacity, but it will also power through sheets of hardwoods and thicker woods. Features 35" rip capacity; 0-45 degree bevel 0 to 45 degrees for cuts ranging from 3-1/8" to 2-1/4"; 10" 40 tooth blade; and brushless motor technology. Includes fast charger.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 36V Jig Saw with Starter Package Model Number: PHT16269      Retail: \$576.99	
	4-stage orbital action-the blade moves slightly forward and into the workpiece on the upswing, then slightly backward on the downstroke as the blade resets for the next cutting stroke. Auto Mode-Vibration is reduced when in a no-load situation making blade alignment when the user resumes cutting. Variable speed control dial and variable switches enable the stroke speed to change easily. On-lock switch improves operability. Weighs 5.5 lbs. Tool-less blade change. Lifetime warranty. Includes a 36V battery/charger or plug into an outlet with the AC adapter.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 2 Gallon Compressor Package Model Number: PHT16386      Retail: \$746.99	
	Compressor package includes a 36V MultiVolt 2 Gallon Cordless Air Compressor with 17 second refill time and two easy to read gauges for tank pressure and regulated pressure; a MultiVolt Battery and Charger Starter kit 36V/18V that is backward compatible and features a 4-stage fuel gauge, multiplex protection circuit, rapid charger and USB port; and a polyurethane 1/4" x 50' air hose.

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Sub-Compact Impact Driver & Drill package Model Number: PHT16392      Retail: \$445.99	
	This package includes a DDX Series 18V Sub-Compact Driver Drill/Impact Driver Combo Kit. Both tools feature brushless motors and are compatible with Metabo 18V & 36V Lithium Ion batteries. The Driver Drill produces up to 485 in-lbs of torque and weighs only 2.7 lbs with battery. The Impact Driver Drill delivers up to 1,240 in-lbs of torque, up to 3,200 and 4,000 BPM and weighs only 2.6 lbs with battery. 2-18 V 1.5Ah batteries; 1-#2 Phillips Bit; 1-36V/18V 2.5Ah/5.0Ah MultiVolt Lithium Ion Battery; carrying case; and safety glasses.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Deep Cut Band Saw Package Model Number: PHT16395      Retail: \$959.99	
	Deep Cut Band Saw Package includes a 36V MultiVolt 4-3/4" Deep Cut Band Saw that only weighs 16.5 lbs with included 4.0Ah battery. The brushless motor produces 640 SFPM and the included band saw blades last twice as long and cut up to 4 times as fast as traditional accessory band saw blades. Also includes 1-36V/18V 2.5Ah/5.0Ah MultiVolt Lithium Ion Battery; and safety glasses.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Cordless Grinder Package Model Number: PHT16401      Retail: \$404.99	
	Package includes an 18V MultiVolt 4-1/2" Slide Switch Angle Grinder w/Lock-On that accepts both Metabo 18V batteries and MultiVolt batteries and features 60% improved overload durability; high torque motor; anti-restart protection; battery charge indicator; and soft grip handle. Also includes MultiVolt Battery and Charger Starter kit 36V/18V that is backward compatible and features a 4-stage fuel gauge, multiplex protection circuit, rapid charger and USB port, as well as a pair of safety glasses.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Jig Saw Package Model Number: PHT16404      Retail: \$419.99	
	Jigsaw Package includes an 18V Lithium Ion Cordless Jig Saw that features soft vibration reducing grip; tool-less blade change; variable speed trigger; cleaner cuts with included splinter guard; LED light; 3 orbital functions plus a standard straight-cut mode; 45 degree left and right adjustable base; and battery charge indicator. Also includes a MultiVolt Battery and Charger Starter kit 36V/18V that is backward compatible and features a 4-stage fuel gauge, multiplex protection circuit, rapid charger and USB port; and safety glasses.

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Nailer Package Model Number: PHT16596      Retail: \$508.99	
	Includes: 1 Gallon Quiet Compressor-2.8 Amp direct drive induction with an overload protection circuit that cuts off power in the case of an overload situation and an ergonomically shaped rubber carrying handle; 2" 18-Gauge Brad Nailer with selective actuation to allow user to select 2 different modes and accepts 5/8"-2" 18-Gauge fasteners and has a nail reload indicator, tool-less easy to clear nose & polyurethane 1/4" x 50' Air Hose; Morf R700 Head Lamp - both a headlamp and flashlight and a hands-free lighting tool; and Edge safety glasses.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Driver Drill Package Model Number: PHT16665      Retail: \$348.99	
	The Driver Drill Package includes an 18V DDX Series Sub-Compact Driver Drill that is extremely lightweight at 2.7 lbs. The keyless 1/2" chuck provides fast and easy bit replacement and ensures there is no bit slippage while in use. Comes with a bright LED light, ergonomic grip, center-balance design and 20+1 position clutch. Also includes a pair of safety glasses and and 1-36V/18V 2.5Ah/5.0Ah MultiVolt Lithium Ion Battery.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 5" Variable Speed Random Orbital Finishing Sander Model Number: SV13YSTM      Retail: \$99.99	
	Features Palm-style soft comfort grip to reduce vibration; Dust sealed rocker switch helps to extend tool life; 9000 to 13000 RPM variable speed dial to achieve super smooth finishes; Dust collection hose connector & adapter to reduce cleanup time; Powerful 2.8 Amp motor; Hook & Loop & 8 hole pad system allows you to change sanding sheets quickly & easily. Includes Sanding Paper 5" A-P120, Vacuum Adapter, Adapter (rubber) and Dust bag.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 18V MultiVolt 2,000 Lumen Work Light - Bare Tool Model Number: UB18DBQ4M      Retail: \$151.99	
	This work light is perfect for small rooms and areas and shines 2,000 lumens on high to 350 lumens on low with 30 settings. It accepts 18V and MultiVolt batteries and is dust proof and water resistant. It adjusts 360 degrees. Hanging hook is included. It is threaded for a tripod. Battery not included. 5 year limited warranty.

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 18V MultiVolt 4,000 Lumen Work Light - Bare Tool Model Number: UB18DCQ4M      Retail: \$197.99	
	<p>This work light accepts 18V and MultiVolt batteries and is ideal for medium size rooms/areas and corridors. It shines with 4,000 lumens on high and 700 lumens on low with 15 stage luminosity adjustment. It is adjustable 126 degrees with 8 stage angle adjustments and the runtime is 12 hours on low and 2 hours on high. Battery not included. 5 year limited warranty.</p>
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 36V Starter Kit 1-36V Battery and 1-Fast Charger with USB Port Model Number: UC18YSL3B1M      Retail: \$237.99	
	<p>Power source kit option for the MultiVolt power tool platform. Includes a MultiVolt 36V battery and rapid charger. MultiVolt battery is 4.0Ah when used in 36V MultiVolt Tools. The battery delivers 4.0Ah of runtime at 36V in MultiVolt tools. Only 2.1lbs, eliminating any added bulkiness or weight. 2 year limited warranty.</p>
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 18V MV AC/DC Dual Function inflator - Bare Tool Model Number: UP18DAQ4M      Retail: \$191.99	
	<p>This cordless inflator is your solution for any application that requires inflating with over 160 PSI or 15+ CFM. It features 2 modes - high pressure and high volume; built-in LED light; digital display; automatic inflation shutoff; 47" high pressure hose; 19" high volume hose; and 6 different accessories with on-board accessory storage. It accepts 18V battery or 18V/36V MultiVolt (sold separately) or the included 12V CD car adapter.</p>
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: 18V MultiVolt Bluetooth Small Radio - Bare Tool Model Number: UR18DAQ4M      Retail: \$151.99	
	<p>This Bluetooth radio accepts 18V and MultiVolt batteries with a runtime of 18 hours with the 18V 3.0Ah battery. It is lightweight and compact and features an AC/DC power supply, Bluetooth and 9 presets. Battery not included. 1 year limited warranty.</p>

Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Heavy-Duty Miter Saw Stand Model Number: UU240FM      Retail: \$294.99	
	Features Heavy-duty steel construction to support up to 400lbs; Material support extensions; Accepts up to 12" sliding compound miter saw; Tool-less height adjustment of material supports for quick and easy set up; Quick-Release mounting brackets; Non-marring rubber feet on mounting brackets; Installed material stops are adjustable; Large 8" treaded wheels; Weighs only 50lbs. Includes Anchor Plates and Auxiliary Mounting Brackets.
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Professional Workshop Package Model Number: VSPHT16275      Retail: \$957.99	
	Includes: 18V Cordless Combo Kit - Compact driver drill produces up to 485 in-lbs of torque and weighs only 1.9 lbs. Compact impact driver drill delivers up to 1,240 in-lbs of torque, up to 3,200 RPM and 4,000 BPM. 26" 5-Drawer Tool Chest/Cabinet constructed of all-steel, 30-pound load capacity, full-extension ball-bearing drawer slides and keyed locking system with two external lock bars to safeguard tool. 150 pc assortment of Crescent hand tools for most industrial, mechanical, and consumer applications (includes hard case).
Brand Name: Metabo HPT (formerly Hitachi)      Model Name: Professional Workshop Package Model Number: VSPHT16800      Retail: \$847.99	
	Includes: 18V Cordless Combo Kit - Compact driver drill produces up to 620 in-lbs of torque and weighs only 2.6 lbs.
