Brand Name: Sierra Designs Model Number: 20433523		Model Name: Grotto 20L Cooler Pack Retail: \$149.95	
		20L insulated backpack cooler that holds up to 28 cans without ice. Durable enough for adventure with 840D and 600D TPU coated material. Watertight soft cooler with roll-top closure and wide-open brim to provide easy access while keeping water out. Attached feet to improve stability and increase the longevity of your cooler. Switch it up with backpack-style or duffle style carry straps for easy transport. Zippered stash pocket for storing smaller items. Detachable can opener	
Brand Name: Sierra Designs Model Number: 20433623		Model Name: Grotto 30L Cooler Tote Retail: \$174.95	
		30L Insulated backpack cooler holds up to 45 cans without ice. Made of 840D and 600D TPU coated material for increased durability. Watertight soft cooler with roll-top closure and wide-open brim. Attached feet to improve stability and increase longevity. Padded sling shoulder strap or duffle style carry straps for easy transport. Zippered stash pocket for smaller items. Detachable can opener.	
Brand Name: Sierra Designs Model Number: 20433723		Model Name: Grotto 15L Cooler Sling Retail: \$69.95	
		15L Insulated backpack cooler that holds up to 20 cans without ice. Cooler durable enough for adventure with 420D Nylon TPU coated material. Watertight soft cooler with roll-top closure and wide-open brim that keeps everything cool while keeping water out. Padded sling shoulder strap for easy transport. Zippered stash pocket for smaller items.	
Brand Name: Sierra Designs Model Number: 40157721		Model Name: Tabernash 4 Tent Retail: \$149.95	
		Tent features 63 sq ft of interior space and a peak height of 59". Swift Clip attachment system and efficient 2-pole design work in tandem for quick setup, and the spacious dome design maximizes lounge space with tons of storage like interior mesh pockets, an e-port and a gear loft. Go fly-less on clear nights for heaps of ventilation and stargazing views with the tent's full mesh body, but sleep soundly knowing that the 1200MM waterproof fly, high wind guy lines and large, durable water repellent (DWR) coated vestibule will keep you and your gear dry.	

Brand Name: Sierra Designs Model Number: 70430220R		Model Name: Granby Insulated Sleeping Pad Retail: \$89.95	
		This pad is 3" thick for ultimate comfort. It features synthetic insulation for increased warmth and an easy one-way valve for hassle-free inflation. Pairs well with 20°F bags. Burrito bag for efficient packing.	
Brand Name: Sierra Designs Model Number: 70430320R		Model Name: Shadow Mountain Sleeping Pad Retail: \$69.95	
		When it comes to camping, your best sleep system starts from the ground up. 3" thick , lightweight and compact, the Shadow Mountain Air Pad is designed to keep you off the ground, with an efficient baffle pattern that helps distribute your weight evenly and stabilizes your body and back with the foundation it needs for a great night's sleep. A one-way valve prevents air loss when inflating, and the Burrito Bag storage makes it easy to stash and dash when it's time to pack and go.	
Brand Name: Sierra Designs Model Number: 70597718BLU		Model Name: Dridown Pillow - Blue Retail: \$39.95	
		Versatile 2 in 1 design camp pillow or backpacking pillow. Removable synthetic inner pillow lightens the load when backpacking. 650 FP PFC-Free Dridown high-performance, water-resistant down. PFC-Free DWR on shell fabric high performance water-resistant fabric. Stuff sack included.	
Brand Name: Sierra Designs Model Number: 70599318BJE		Model Name: Animas Pillow - Blue Jewel Retail: \$24.95	
		The Animas Air Pillow is Sierra Designs' lightest weight, most comfortable pillow for any need. It's small enough for easy use, but large enough for comfort. Lightweight stretch top and bottom fabric with a brushed finish for comfort makes it perfect for camping, backpacking, and travel!	

Brand Name: Sierra Designs Model Number: 70607318R		Model Name: Cloud 800F 20 Degree Regular Retail: \$319.95	
		<p>Hailed by Outside Magazine as one of the "best sleeping bags for backpacking." An oversized, zipperless sleeping bag that provides unrestricted freedom for any sleeping position. A natural choice for 3-season adventures in the backcountry, it's stuffed with ultra-compact, responsibly sourced 800-fill DriDown and coated with PFC-free water repellent. With the adjustable self-sealing foot vent, insulated shoulder pockets and a sleeping pad sleeve, hot sleepers and side sleepers alike can sleep comfortably.</p>	
Brand Name: Sierra Designs Model Number: 77610821L		Model Name: Night Cap 20 Degree Long Sleeping Bag - Moroccan Blue Retail: \$199.95	
		<p>This bag is made with 100% recycled synthetic insulation from waterbottles and wrapped in a recycled, post-industrial fabric shell. It features a patented zipperless design and an oversized integrated comforter. The insulated shoulder pockets keep comforter wrapped around you and seals out drafts. Its patented self-sealing foot vent provides fast and easy ventilation. It has an integrated sleeping pad sleeve that keeps pad under you for comfort and warmth and a hood cinch to keep in heat. Stuff sack included.</p>	
Brand Name: Sierra Designs Model Number: 77620922		Model Name: Twin Lakes Duo 20 Degree Sleeping Bag Retail: \$149.95	
		<p>This bag has a recycled polyester shell and polyester pongee liner that adds extra comfort. The SierraLoft Synthetic Insulation is designed to capture warm air and keep it close to your body. The dual-sliding zipper allows you to open the bag in a variety of ways for increased ventilation and the hood cinch locks in heat. Two internal stash pockets provide convenient storage. The anti-snag zipper tracks for easy use with a draft tube along the zipper to prevent warmth from escaping. Easy roll-up straps attached to bottom of bag for compact storage.</p>	
Brand Name: Sierra Designs Model Number: 80710519R		Model Name: Nitro Quilt 800F 20 Degree Regular Retail: \$279.95	
		<p>This bag only weighs 1 lb 11 oz and is one part blanket, one part sleeping bag, all parts cozy. 800 Fill Power Fluro-carbon free DiDown & 15d nylon ripstop fabrics for an ultralight quilt. The full-length, insulated hand/arm pockets help to seal out drafts and seal in warmth. Hide-away hood provides insulation for your head.</p>	

Brand Name: Sierra Designs Model Number: 80711022		Model Name: Gigawatt 60L Backpack Retail: \$199.95	
		Pack is constructed to withstand rough conditions with a durable 300-denier polyester ripstop exterior and an advanced perimeter frame for superior stability. The adjustable suspension fits torsos size 16-19" for a custom, more comfortable fit. The oversized external stretch mesh pockets let you store gear quick and easy. It features a stash pocket lid with internal organizer; two zippered hip belt pockets; compression straps to stabilize your load; and a side access zipper for easy pack access when you're on the go.	
Brand Name: Sierra Designs Model Number: 80711520PT		Model Name: Flex Lumbar 3L - 6L Peat Retail: \$69.95	
		This pack takes weight of your back and onto your backside. It is constructed to withstand rough conditions with a durable 100-denier nylon/polyester exterior. Adjust the volume using the dual compression straps and a patent-pending vertically expanding flex gusset system to expand or compress to accommodate any load, creating a more comfortable and stable carry. It has two stretch water bottle pockets with elastic keeper and hip belt stabilizer straps and plush padding make for a more comfortable carry on the trail.	
Brand Name: Sierra Designs Model Number: 80711620PT		Model Name: Flex Lumbar 7L - 10L Peat Retail: \$89.95	
		This pack takes weight of your back and onto your backside. It is constructed to withstand rough conditions with a durable 100-denier nylon/polyester exterior. Brand Name: Sierra Designs Model Number: 80713621-BLU		Model Name: Sonora Pass Daypack - Blue Retail: \$69.95	
		Store all your gear here! Constructed to withstand tough conditions with a durable 600-denier polyester ripstop exterior. The padded shoulder straps and back panel provide a comfortable carry on the trail or around town. The laptop sleeve stows most 15" laptops and doubles to fit a hydration reservoir with pass through. Its soft-lined top pockets keep sunglasses or phones protected and the 360-degree reflective features increase visibility even in low light conditions. The dual front zippered pockets and internal organizer store essentials securely.	

Brand Name: Sierra Designs Model Number: 80713621-GG		Model Name: Sonora Pass Daypack - Green Retail: \$69.95

Brand Name: Sierra Designs Model Number: PSD16704		Model Name: High Side 1 Tent and Footprint Retail: \$324.90	
		Named one of the best small tents by Outside and Backpacker magazines. Pole geometry creates a "high side" over the door that maximizes a livable space and minimizes weight. Low profile design and compact storage size take up minimal space in your pack. Burrito bag for easy packing. 2 Vestibule zippers allow you to create an awning, improving ventilation and providing covered storage. 12" pole sections can pack easier into panniers and are perfect for bikepacking.	
Brand Name: Sierra Designs Model Number: PSD16950		Model Name: Meteor 2 Pack 'N Go Tent and Footprint Retail: \$299.90	
		Zip open the 2 vestibules and 2 doors, and to a spacious interior with steep wall angles thanks to a ridge pole design that increases volume at the head, peak and foot of the tent. It features a bathtub-style floor and waterproof, PFC-free rain fly. Store it in the included Burrito Bag. Footprint is a perfectly sized tarp that provides a durable layer of protection for your tent floor - measures 81"x48". Includes the High 1 Footprint made of 68D and measures 84" x 24". Reduces wear and tear on the tent floor.
